Test Cap Knock Out

Premium test cap and plug. Replaces "wafer" caps. Large glue area. Easy grip handle - will not blow out. Tip acts as handle while applying glue and can be snipped to allow filling bleeding with water or air for testing. Deeper glue surface ensures a good seal especially on unevenly cut pipe. Durable virgin ABS may be glued to pipe with PVC, ABS, or all purpose cement. Bulk.

Reliance Water Htr/State

Temperature & Pressure Relief Valve

For gas water heaters. 3/4" threaded connection. 5/8" shank. Rated for 150 P.S.T. Pressure and 210 degree F. Fits all residential models. ASME certified. Clamshell.

Stock No.	Mfr. No.	Unit of Meas.	Order Multiple	Wgt.	Unit Price
44988	9000071045	EA	1	.5	11.99

Temperature & Pressure Relief Valve

150 PSI. 3/4" connection. 2-1/4" element extension. Extended length body. For protection of water heaters and storage tanks. Automatic reseating. 210 degree temperature relief, starts to open at 200 degree. White Coat: thermal element coating to isolate mineral buildup. AGA approved. ASME and CSA listed.
