Water Wigglers

BIRD BATH WITH WATER WIGGLER

- Ideal for use from spring through fall, and it will not crack if left outside in the winter.
- The basin has a gradual slope to encourage bathing.
- Using the EZ-Tilt-To-Clean hardware included, the bath is easily mounted to a wooden deck rail.
- The Water Wiggler's unique agitator action creates continuous ripples in the water.
- This prevents mosquitoes from laying their eggs in bird baths by eliminating stagnant water, and thereby guarding against the spread of West Nile virus.

Hopper

HOPPER BIRD FEEDER 4 QT

- Made with Solid Cross-ply Bamboo - 5 X harder and stronger than Cedar or Cypress; Ultra resistant to mold, bacteria, and squirrels
- Double the defense against rotting, warping, swelling, and shrinking
- Extra spacing to accommodate large birds like Cardinals and Jays
- Removable Fresh Seed tray - Rust-free tray lifts out easily for cleaning, preventing mold and bacteria growth
- Keeps seed fresh by allowing water to drain and air to flow freely and diverts seed to feeding area giving birds easy access.
- Wide opening for easy filling and no spilling.
- Stay-clear, crack resistant windows; Rust-free hardware; stainless steel screws; Water-based protective stain; Vinyl coated steel hanging cable
- Available in 4, 6, and 8 quart capacities
- Exclusive 10-year warranty
