DYMO PRINTERS AND ACCESSORIES
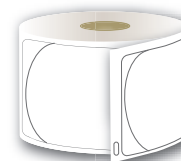

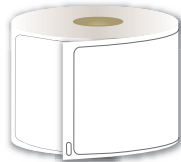

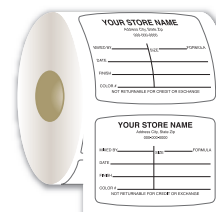

Our Dymo LabelWriter Printers create superior bin, pricing and paint formula labels and labels for brochures, envelopes, files, packages (you name it!) in seconds flat - directly from your computer. With their direct thermal printing, they eliminate the need for ribbons or toner cartridges.

FYI: All of our Dymo printers come with stand alone software (Mac & PC compatible) that will allow you to print bin and pricing labels if you don't already do this with a point of sale system. Compatible with Epicor. Contact a Centurion Service Representative or go to www.centurion-inc.com/dymo_instructions.html for instructions on how to set up your Dymo printer with Epicor.

QUICK CHANGE SIGN HOLDERS

Our Quick Change Sign Holders are made of durable plastic – no rust, splinters, discoloration or maintenance. Signs quickly slide in and out and stay securely in place, no clips, bolts or added parts. Stabilizing brace prevents the accidental or intentional spreading or closing of the sign faces. Secure brace with sandbag or other weight.

QUICK CHANGE MARKER BOARDS

Our Quick Change Marker Boards are water-resistant and designed to fit each of the five sign holders shown above. Simply insert board into the top slot and drop into the bottom slot for a secure fit. Our boards can be used with our dry erase markers for indoor use, but require our NM-1SET wet erase markers to withstand the elements. Wet erase marker copy is easily removed with glass cleaner.

WET ERASE MARKERS

Our Wet Erase Markers are chisel tipped and designed to withstand the elements of the outdoors. They are rain, and kid resistant. We suggest laying the board on a flat surface for writing. Once dry, you cannot rub the copy off but can easily remove with glass cleaner. Each set contains: black, red, blue, green, pink, yellow, orange and white markers.
