

ARROW PLASTIC MANUFACTURING COMPANY

MISSION

To be the premier developer, manufacturer, and supplier of high value consumer products, while consistently providing superior customer service.

WE ARE PROUD TO BE AN AMERICAN MANUFACTURING COMPANY

Since 1961, Arrow has been providing high quality, affordable products to our customers. Our product line is diverse. We design, manufacture and distribute items in hydration, tabletop, kitchen, cleaning, garden, storage and family specialty product. We are your one-source for building basic housewares sections and seasonal promotions. We also offer great flexibility in merchandising vehicles such as floor displays, counter units and pallet programs.

We at Arrow pledge to continually search for new and better ways to improve our environment and help reduce waste and pollution that continually threatens our ecosystem. All of our plastic scrap, used corrugated containers, wrapping materials and pallets are recycled. None of these materials are deposited in landfills.

Arrow's products are categorized as "Long Service Life" and therefore are environmentally sustainable. All of our products are made of food safe materials and colorants, and all are BPA free. We voluntarily mark our products with Society of Plastics Industry identification recycling symbols.

Why Choose Arrow?

- Great Customer Service
- Innovation
- Reliability
- ISO 9001 Certified
