

65 Piece IMPACT READY™ PRO Set

DeWALT® IMPACT READY™ accessories can be used with both drill/drivers and impacts and are qualified specifically for cordless impact tools up to 2,000 in lb of torque.

Features:

- Magnetic pivot holder has locking collar for straight or angled 20° pivot driving mode for tight spaces, eliminating many right angle drill needs
- Sockets have recessed corners to better distribute torque across socket flats while engaged with fastener for increased durability
- Sockets have laser etched markings to easily identify sizes
- Sockets are thin-walled design (thinner than wrench sockets) for tough access areas often encountered with cordless impact tools
- Spade bits' heavy-duty shank and max life corners provide increased overall durability and longer life in nails
- Impact ready screwdriver bit tips made of shock-resistant tool steel for longer life and feature snub nose design for ideal fastener fitment; advanced hardening process provides maximum durability
- Does not contain any ozone-depleting substances

Set Contents for DW2583

Mfr. No.	Size (in)	Qty.
Phillips® Screw Bits		
DW2001IR	#1 x 1	2
DW2002IR	#2 x 1	7
DW20022IR	#2 x 2	2
DW2003IR	#3 x 1	2
Slotted Screw Bits		
-	#6 x 1	2
-	#8 x 1	2
-	#8 x 2	1
-	#10 x 1	2
Square Recess Screw Bits		
DW2201IR	#1 x 1	2
DW2202IR	#2 x 1	3
DW2212IR	#2 x 2	1
Torx® Screw Bits		
-	T15 x 1	2
-	T20 x 1	2
-	T25 x 1	2
Double-Ended Pozi-Drive® Screw Bits		
DW2002DE	#2	4
Split Point Gold Ferrous Oxide Drill Bits		
DW1904	1/16	2
DW1905	5/64	2
DW1906	3/32	2
DW1907	7/64	2
DW1908	1/8	2

Magnetic IMPACT READY™ Nut Driver Set

Features:

- Patented geometry reduces rounding of the hex
- Advanced hardening process provides maximum durability
- Hardened core for extra strength and long life
- Heat-treated to resist breakage and wear
- Rated for performance in impact drivers up to 2,000 in lb of torque
- Qualified and manufactured for optimal performance with cordless impact drivers
- Extra strength magnets provide strong bit retention

Includes:

- 7/16" nutdriver
- 5/16" nutdriver
- 3/8" nutdriver
- 1/2" nutdriver
- 1/4" nutdriver

Order No.	Mfr. No.	Net Price
MA6233609	DW235IR	\$17.64

Magnetic IMPACT READY™ Pivoting Nutsetter

Features:

- Patented geometry reduces rounding of the hex
- Advanced hardening process provides maximum durability
- Hardened core for extra strength and long life
- Heat-treated to resist breakage and wear
- Rated for performance in impact drivers up to 2,000 in lb of torque
- Qualified and manufactured for optimal performance with cordless impact drivers
- Extra strength magnets provide strong bit retention
- Does not contain any ozone-depleting substances
