

# Jonathan Green

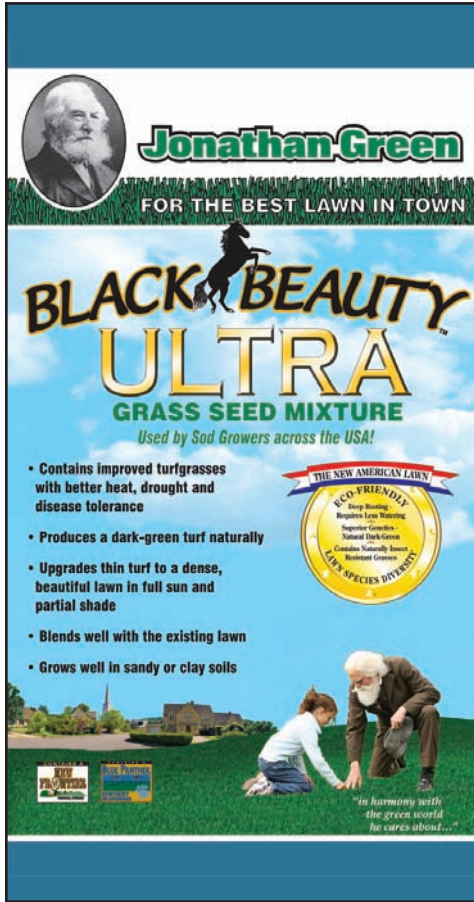

FOR THE BEST LAWN IN TOWN

# BLACK BEAUTY ULTRA

**GROWS AN ECO-FRIENDLY LAWN THAT LOOKS GREAT!**

- Superior genetics and turfgrass species diversity
- Contains improved turfgrasses with better heat, drought and disease tolerance
- Produces dark-green turf naturally
- Upgrades thin turf to a dense, beautiful lawn in full sun and partial shade
- More rapid establishment - Blends well with the existing lawn
- Grows well in sandy or clay soils

- 30% Dakota Tall Fescue
- 30% Taos Tall Fescue
- 20% Tombstone Tall Fescue
- 10% Blue-Tastic Kentucky Bluegrass
- 10% Frontier Perennial Ryegrass
