Decorative Tank Levers

Beautifully designed, our decorative tank levers install in minutes without the need for special tools or draining the tank. The arm is adjustable and fits most front, side, and angle-mount style tanks. Available in a variety of styles and finishes, you can choose the decorative tank lever that best matches your bath décor.

See pages 29-30 for more information.

 **MOEN**
Buy it for looks. Buy it for life.®

Pivoting Paper Holders

 **MOEN**
Buy it for looks. Buy it for life.®

Changing the bath tissue is now quicker and easier. The innovative, spring-free design makes changing the roll quick and easy. Simply lift the arm, insert new roll and set the arm back into place. The pivoting arm remains attached so there's no spring to lose, no extra parts to drop!

Pivoting Mirrors

Look for this pivoting icon to see all the pivoting mirror designs.

Pro+Fit™ Installation System

The Pro+Fit™ System eliminates set screws for faster, more durable mounting. There's even a template with a built-in level.

MOEN
Buy it for looks. Buy it for life.®

1. DRILL IT!

The innovative template has a built-in level for accurate drilling of pilot holes for 9 in., 18 in. and 24 in. towel bars or paper holders.

2. SCREW IT!

Single screw mounting system uses pre-attached hollow wall anchor for a fast solid installation.

3. CLICK IT!

Locking tab clicks to hold the post firmly in place and eliminates the need for a set screw.

Available on Brantford™, Eva®, Icon™, Mason® and Method™ collections by Moen®.

 **MOEN**
Buy it for looks. Buy it for life.®

Add a splash of style to any bath.

Each Moen® and Inspirations® collections by Moen® tank lever completes a suite of perfectly matched accessories for your bath, while the wide array of exquisite styles and finishes allow you to coordinate with any fixtures.

As you would expect from Moen®, beauty and style go hand-in-hand with quality and durability. Our patented, hinged arm adapts to fit most front, side or angle mounted lever tanks. Plus, installation only takes a few minutes and couldn't be easier. There's no need to drain the tank, and no special tools are required.

Each lever is designed to compliment your personal style in the bathroom.

Mirrorscapes™

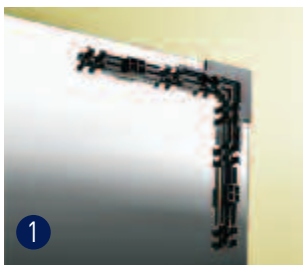

m mirrorscapes™

MIRROR FRAMES

Introducing Mirrorscapes™, the innovative mirror framing system that transforms your plain, plate-glass mirror into an absolute vision. With Mirrorscapes™, you can achieve the unmistakable appearance of a stunning custom-made frame in only minutes. Create a beautiful coordinated look that expresses your own unique personal style.

Now you can give your mirror the beauty of a handcrafted frame without the expense of custom carpentry. The unique frame assembly system of Mirrorscapes™ is designed to make installation as simple as possible, even eliminating the painstaking task of making mitre cuts.

1

Using template, secure mounting bracket.

2

Measure and cut straight pieces.

3

Attach straight pieces onto mounting brackets

4

Install corner pieces and you're done!
