

SINCE 1918 THE FIRST AND STILL THE BEST

BERRYMAN® SILICONE SPRAY

Supplies exceptional lubrication and protection for most surfaces including metal, wood, rubber, plastic and leather. Repels water and fights rust and corrosion. Excellent for lubricating car window channels, seat tracks, windshield wiper linkage, and distributor cam and shaft.

Part #1716 NET WT. 12 fl. oz. (340g) Aerosol Can

BERRYMAN® CHEM-DIP® PROFESSIONAL PARTS CLEANER

Fast acting immersion cleaner for all metal parts including alloys. Non-corrosive to metal and requires no agitation. A chemical seal retards evaporation and aids in emulsification. Removes carbon, varnish, paint, sludge and grease fast. Use for cleaning transmissions, carburetors, valves and other hard to clean parts.

Sizes Available:

- Part# 0901 NET 1 Gallon Can Replenisher for 0905
- Part# 0905 NET 5 Gallon Pail
- Part# 0915 NET 15 Gallon Drum
- Part# 0955 NET 55 Gallon Drum
- Part# 0950 Metal Dip Basket for 0905

BERRYMAN® CHEM-DIP® CARBURETOR AND PARTS CLEANER

Fast acting immersion cleaner for all metal parts including alloys. Contains no chlorinated solvents and is VOC compliant in all states. Removes carbon, varnish, sludge, and grease fast without agitation. Non-corrosive to metal and alloys. Use for cleaning small transmission and carburetor parts, valves and other hard to clean small engine parts.

Part #0996 NET 96 fl. oz. (2.84L) Pail with Basket

BERRYMAN SEAL-R® TIRE SEALING COMPOUND

Seals leaks caused by nails, thorns and other sharp objects. Seal-R® coats inside of tire or tube to seal leaks and prevent loss of air pressure from punctures. Seal-R® seals punctures up to 1/4 inch in diameter. Sealing is accomplished by combining centrifugal force and air pressure to fill puncture with fibrous solids. The solid materials create a permanent plug and a liquid polymer bonds this "plug" to the surrounding rubber. Seal-R® is a must for use on farm, off-road, construction and industrial equipment to prevent costly down time.

Sizes Available:

- Part #1301 NET 1 Gallon Bottle with Pump
- Part #1305 NET 5 Gallon Pail
- Part #1308 NET 8 fl. oz. (237ml.) Squeeze Bottle
- Part #1316 NET 16 fl. oz. (473ml.) Squeeze Bottle
- Part #1332 NET 32 fl. oz. (946ml.) Squeeze Botl
- Part #1355 NET 55 Gallon Drum
- Part #1200 Injector pump for Part #1305

BERRYMAN PRODUCTS

Since 1918, Berryman Products has been family owned with a proud tradition of providing the highest quality products that perform professional technician expectations. We're committed to the user of our products to continue this tradition by constantly applying leading edge technology, employing dedicated associates and by providing reliable service to our supply channel customers.

PRODUCT CATALOG

Serving the Automotive Industry with Superior Products Since 1918

B-12 CHEMTOOL® THE LEADING PERFORMER SINCE 1958

B-12 CHEMTOOL® CARBURETOR, CHOKE AND THROTTLE BODY CLEANER

Quickly dissolves gum and varnish from carburetor, PCV valve, automatic choke, carburetor linkage and distributor shaft with High Energy Solvent Technology (H.E.S.T.) for maximum performance and fuel economy. Improves driveability by removing deposits that cause rough idle, stalling and loss of acceleration. Catalytic converter and oxygen sensor safe.

Sizes Available:

- Part #0113** NET WT. 13 oz. (369g.) Aerosol with Extension Tube (NOT VOC Compliant in CA. and N.J.)
- Part #0113C** NET WT. 13 oz. (369g.) Aerosol with Extension Tube (VOC Compliant in all 50 States)
- Part #0117** NET WT. 16 oz. (453g.) Aerosol with Extension Tube (NOT VOC Compliant in CA. and N.J.)
- Part #0117C** NET WT. 16 oz. (453g.) Aerosol with Extension Tube (VOC Compliant in all 50 States)
- Part #0120** NET WT. 20 oz. (567g.) Aerosol with Extension Tube (NOT VOC Compliant in CA. and N.J.)
- Part #0120C** NET WT. 20 oz. (567g.) Aerosol with Extension Tube (VOC Compliant in all 50 States)
- Part #0152** NET WT. 5.2 oz. (174g.) Aerosol with Extension Tube (VOC Compliant in all 50 States)

B-12 CHEMTOOL® CARBURETOR, FUEL SYSTEM AND INJECTOR CLEANER

Quickly dissolves petroleum residue and disperses moisture from fuel system, fuel injectors, valves, rings and pistons with High Energy Solvent Technology (H.E.S.T.). Regular use ensures higher compression, fewer repairs, lower operating costs and increased spark plug and injector life. Catalytic converter and oxygen sensor safe.

Sizes Available:

- Part #0101** NET 1 Gallon Can
- Part #0116** NET 15 fl. oz. (444ml.) Easy Pour-In Can
- Part #0105** NET 5 Gallon Can
- Part #0115** NET 15 Gallon Drum
- Part #0155** NET 55 Gallon Drum

B-12 CHEMTOOL® AIR INTAKE CLEANER

Formulated to safely clean, lubricate, and protect intricate computerized fuel injection air-intake components. When these components become dirty, they can severely affect performance of the engine causing poor fuel economy, rough idling, hard starting, hesitation and higher emissions.

- Part #2209** NET WT. 6.25 fl. oz. (177g.) Aerosol with Extension Tube (VOC Compliant in all 50 States)

BERRYMAN® B-12 MOTOR TUNE UP FOR GAS AND DIESEL

Use in all gas or diesel machines in any season. Regular use of Berryman B-12 Motor Tune-Up results in increased compression, top engine performance, lower operating cost per mile and fewer repairs. Safe to use for engines equipped with oxygen sensors and catalytic converters.

- Part #0316** NET 16 fl. oz. (473ml.) Easy Pour-In Can

3800 East Randol Mill Road • Arlington, TX 76011-5474 • www.berrymanproducts.com

THE GOOD STUFF SMART CHOICE

B-12 CHEMTOOL® GAS TREATMENT AND CARBURETOR CLEANER

Formulated with High Energy Solvent Technology (H.E.S.T.) to clean all internal fuel system circuits by chemically dissolving varnish, carbon and gum deposits. Thoroughly cleans fuel jets, carburetor circuits, fuel pump and combustion chamber for faster starts, smoother idling and maximum fuel economy. Catalytic converter and oxygen sensor safe.

- Part #0112** NET 12 fl. oz. (355ml.) Pour-In Long Neck Bottle

B-12 CHEMTOOL® INJECTOR CLEANER FUEL TREATMENT

High Energy Solvent Technology (H.E.S.T.) and superior cleaning additives combine to thoroughly clean fuel jets, carburetor circuits, fuel pump and combustion chamber for faster starts, smoother idling and maximum fuel economy. Catalytic converter and oxygen sensor safe.

- Part #1112** NET 12 fl. oz. (355ml.) Pour-In Long Neck Bottle

B-12 CHEMTOOL® SUPER CONCENTRATE INTAKE VALVE AND INJECTOR CLEANER

This highly concentrated combination of High Energy Solvent Technology (H.E.S.T.) and powerful valve and combustion chamber cleaning additives provides optimum cleaning for neglected or severe service engines. Removes combustion chamber build ups from repeated use of poor quality fuels.

- Part #3012** NET 12 fl. oz. (355ml.) Pour-In Long Neck Bottle

B-12 CHEMTOOL® TOTAL FUEL SYSTEM CLEAN-UP (T.F.S.C.)

The one tank clean-up for the entire fuel system utilizing High Energy Solvent Technology (H.E.S.T.) and formulated and state-of-the-art detergents to maximize and accelerate cleaning of intake valves, fuel injectors and combustion chamber. T.F.S.C. attacks carbon deposits in the entire fuel system to help restore peak performance. Improves starting, driveability and gas mileage. Apply once with each oil change.

- Part #2616** NET WT. 15 fl. oz. (444ml.) Easy Pour-In Metal Can

B-12 CHEMTOOL® THRU-RAIL FUEL INJECTOR CLEANER

Developed specifically for the professional technician to clean injectors and restore original spray pattern. B-12 Chemtool Fuel Injector Cleaner will remove preformed deposits on fuel injectors and prevent recurring deposits. Reduces intake valve and port deposits and enhances performance. Reduces maintenance and improves emissions. Compatible with most through-the-rail cleaning equipment. **NOT TO BE Poured DIRECTLY INTO FUEL TANK. FOR PROFESSIONAL USE ONLY.**

- Part #1120** NET WT. 12 fl. oz. (340g.) Pressurized Can

Phone: 817.640.2376 • Fax: 817.640.4850 • Toll Free: 800.433.1704

B-12 CHEMTOOL® THRU-RAIL FUEL INJECTOR CLEANER

B-12 Chemtool Fuel Injector Cleaner uses a canister-type delivery system shown and is formulated to clean the injectors and restore original spray pattern. B-12 Chemtool Fuel Injector Cleaner will remove preformed deposits on fuel injectors and prevent recurring deposits. Reduces intake valve and port deposits and enhances performance. Reduces maintenance and improves emissions. **FOR PROFESSIONAL USE ONLY.**

Part #1126 NET 16 fl. oz. (473ml.)
Pour-In Can for use with Canister Cleaning System Part #1125

B-12 CHEMTOOL® TOTAL COMBUSTION SYSTEM CLEANING KIT

Formulated with High Energy Solvent Technology (H.E.S.T.) and advanced additives to clean intake valves and combustion chamber. One treatment provides two instant emission improvements! Total Combustion System Clean-Up removes preformed deposits in the combustion chamber, reduces intake valve and port deposits and prevents recurring deposits. Enhances performance, reduces maintenance and improves hydrocarbon and carbon monoxide emissions. **Easy to Use!**

Part #2610 NET 16 fl. oz. (473ml.) With Application Hose Kit and Instruction Sheet.
Parts Included.

B-12 CHEMTOOL® TOTAL PROFESSIONAL 3-STEP FUEL SYSTEM MAINTENANCE KIT

The most complete and thorough fuel cleaning and maintenance system without the expensive, complicated equipment for professional tune up service providers where professional results are demanded with fast, low cost turn around. All of Berryman's most powerful High Energy Solvent Technology (H.E.S.T.) components and additives in one easy-to-use package. Each kit contains Step-1 Air Intake Cleaner Aerosol, Step-2 Combustion Chamber Cleaner with installation tools and Step-3 Fuel System Cleaner. **Simple to understand instructions included.**

Part #2630 CONTAINS 2 NET 16 fl. oz. Cans (Total 946ml.)
and 1 NET WT. 9oz. (235g.) Aerosol Can

EMISSIONS PASS PROTECTION

Cleans clogged fuel injectors and dirty carburetors. Removes deposits on the intake valves and the entire fuel system. Reduces Hydrocarbon (HC), Carbon Monoxide (CO), and Nitrous Oxide (NOX) emissions. Improves fuel stability, fuel economy, and driveability. Protects against fuel system corrosion in leaded or unleaded gasoline engines.

MONEY BACK GUARANTEE TO PASS EMISSIONS TEST.
Part #0212 NET 15 fl. oz. (444ml.) Easy Pour-In Long Neck Bottle

B-33 ENGINE DEGREASER

Emulsifies road grime, dirt, and grease so they may be rinsed off in an approved facility. Excellent for cleaning vehicle engines, small engine parts, lawn mowers, hand tools, machinery, fleet, farm and marine equipment. Contains no hazardous ingredients.

Part #1133 NET WT. 16 fl. oz. (453g.) Aerosol Can

3800 East Randol Mill Road • Arlington, TX 76011-5474 • www.berrymanproducts.com

BERRYMAN® NITRO POWER BOOSTER FUEL TREATMENT

Dyno tested and formulated to add up to 30 Horsepower in all gasoline fuels available today. Cleans combustion areas and helps prevent rough idle, stalling, knock and ping. Contains Toluene for increased octane and formulated with H.E.S.T. and Nitro. Add to premium unleaded or performance gasoline. Catalytic converter and oxygen sensor safe for use in all applications.

Part #1513 NET 15 fl. oz. (444ml.) Easy Pour-In Can

BERRYMAN® MMT+ OCTANE BOOSTER FUEL TREATMENT

Formulated with MMT and High Energy Solvent Technology (H.E.S.T.) to increase octane levels up to 7 points in gasoline fuels available today. Cleans combustion areas and contains a fuel catalyst to prevent rough idle, stalling, knock and ping. For use in marine engines, agricultural equipment, off-road vehicles and all makes and models of cars and trucks not equipped with an oxygen sensor or catalytic converter.

FOR OFF-ROAD USE ONLY.
Part #1516 NET 15 fl. oz. (444ml.) Easy Pour-In Can

BERRYMAN® OCTANE BOOSTER FUEL TREATMENT

Developed with MMT to increase octane in gasoline. Contains a fuel catalyst that prevents rough idling, stalling, after-run and pre-ignition pinging. Catalytic converter and oxygen sensor safe.

FOR USE IN ALL ON-ROAD AND OFF-ROAD APPLICATIONS
Part #1512 NET 12 fl. oz. (335ml.) Easy Pour-In Long Neck Bottle

BERRYMAN® DIESEL CETANE BOOSTER

Berryman Octane Booster contains powerful diesel ignition improves and detergents to improve engine performance, reduce emissions, improve fuel economy and drivability of your diesel vehicle. Its lubricity additives and corrosion inhibitors help to lower maintenance costs. Regular use keeps injectors clean. Increases fuel octane up to 6 numbers. It disperses moisture contamination in the fuel system so it can be burned in the engine. Helps prevent growth of bacteria and fungi. Use only as directed.

Part #0517 NET 15 fl. oz. (444ml.) Easy Pour-In-Can

BERRYMAN® DIESEL INJECTOR CLEANER

Berryman Diesel Injector Cleaner contains powerful detergents to improve engine performance, reduce emissions, restore fuel economy and drivability of your diesel vehicle. Its lubricity additives and corrosion inhibitors help to lower maintenance costs. Regular use keeps injectors clean. It provides one tank cleanup of injector deposits. It disperses moisture contamination in the fuel system so it can be burned in the engine. Helps prevent growth of bacteria and fungi. Use only as directed

Part #0518 NET WT. 15 fl. oz. (444ml.) Easy Pour-In-Can

BERRYMAN® DIESEL ENGINE OIL TREATMENT

Berryman Diesel Engine Oil Treatment is formulated to prevent engine wear and deposit formation. Engine Oil Treatment contains a viscosity stabilizer to index improver to maintain engine oil viscosity. Reduces oxidation which increases wear on internal engine parts. Will not effect the viscosity characteristics of multigrade or single grade engine oils.

Part #0519 NET 15 fl. oz. (444ml.) Easy Pour-In-Can

Phone: 817.640.2376 • Fax: 817.640.4850 • Toll Free: 800.433.1704

EASY TO USE ~ SAVES TIME AND COST

BERRYMAN® ALL SEASON DIESEL FUEL TREATMENT

Designed to modify the crystallization process of wax paraffins which occur in all diesel fuels. Lubricates close tolerance parts and is compatible with all diesel fuels. All Season Diesel Fuel Treatment Chemtool is scientifically formulated to maximize diesel engine performance while using today's low sulfur diesel fuels. Contains an anti-gel and is good for protection to -35°.

Part #0512 NET 12 fl. oz. (355ml.) Easy Pour-In Long Neck Bottle

B-12 CHEMTOOL® TOTAL FUEL STABILIZER

Specifically developed for extended storage of gasoline and diesel used in 2 and 4 cycle engines. Contains antirust and antioxidant fuel additives to inhibit rust and oxidation. Prevents formation of gum and varnish. Assures easy start-up after storage.

Sizes Available:

Part #0408 NET 8 fl. oz. (237ml.) Measure/Pour Bottle

Part #0416 NET 16 fl. oz. (473ml.) Measure/Pour Bottle

BERRYMAN® ELECTRONIC CLEANER

Ideal for cleaning and degreasing printed circuits, switches, relays, rheostats, contact points and diagnostic test equipment. Removes lint, oil and dust from tape heads, tuners, VCR's, and other electronic equipment. Clean electric motors or components including armatures, windings, and brushes with Electric Motor Cleaner # 1520.

Part #2206 NET WT. 4.5 oz. (128g.) Aerosol with Extension Tube

HEADER ELECTRIC MOTOR CLEANER (NOT VOC COMPLIANT IN CA. OR N.J.)

Dissolves dirt, grease, and oil quickly from a wide range of electrical components, including armatures, windings, and brushes. Contains no fluorocarbon or hydrocarbon propellants and has no flash point, making it safe for use in shop environment. Do not use to clean plastic, sensitive electronic components, printed circuits, switches, relays, rheostats, contact points, etc. Use Electronic Cleaner Part #2206 for these components.

Part #1520 NET WT. 19 oz. (539g.) Aerosol Can

BERRYMAN® BRAKE CLEANER (NOT VOC COMPLIANT IN CA OR N.J.)

Effectively removes brake fluid, grease, oil and other contaminants from all brake parts including brake linings, disc brake pads, drums, cylinders, springs and other related brake parts. Non-flammable, quick drying formula leaves no residue.

Part #1401 NET 1 Gallon Can

Part #1420 NET WT. 19 oz. (538g.) Aerosol Can

Part #1405 NET 5 Gallon Can

Part #1415 NET 15 Gallon Drum

Part #1455 NET 55 Gallon Drum

Part #1400 5 Gallon Pump for #1405

3800 East Randol Mill Road • Arlington, TX 76011-5474 • www.berrymanproducts.com

FEDERAL AND STATE COMPLIANT FORMULAS

BERRYMAN® NON-CHLORINATED BRAKE CLEANER

Specially formulated to clean fast like chlorinated brake cleaners without chlorinated solvents. Tackles toughest oil, brake fluid, grease and grime deposits. Dries quickly leaving no residue.

Sizes Available:

Part #2401 NET 1 Gallon Can (NOT VOC Compliant in CA. and N.J.)

Part #2401C NET 1 Gallon Can (VOC Compliant in all 50 States)

Part #2405 NET 5 Gallon Can (NOT VOC Compliant in CA. and N.J.)

Part #2405C NET 5 Gallon Can (VOC Compliant in all 50 States)

Part #2415 NET 15 Gallon Can (NOT VOC Compliant in CA. and N.J.)

Part #2415C NET 15 Gallon Drum (VOC Compliant in all 50 States)

Part #2420 NET WT. 14 oz. (397g.) Aerosol Can (NOT VOC Compliant in CA. and N.J.)

Part #2420C NET WT. 14 oz. (397g.) Aerosol Can (VOC Compliant in all 50 States)

Part #2421 NET WT. 19 oz. (539g.) Aerosol Can (NOT VOC Compliant in CA. and N.J.)

Part #2421C NET WT. 19 oz. (539g.) Aerosol Can (VOC Compliant in all 50 States)

Part #2455 NET 55 Gallon Drum (NOT VOC Compliant in CA. and N.J.)

Part #2455C NET 55 Gallon Drum (VOC Compliant in all 50 States)

BERRYMAN® NON-CHLORINATED SCAQMD* COMPLIANT BRAKE CLEANER

Specially formulated to clean like chlorinated brake cleaner without chlorinated solvents. Tackles toughest oil, brake fluid, grease, and grime deposits. Dries quickly leaving no residue.

Sizes Available:

Part #2401SC NET 1 Gallon Can

Part #2405SC NET 5 Gallon Can

Part #2414SC NET WT. 14 oz. (397g.) Aerosol Can

Part #2416SC NET 15 Gallon Drum

Part #2455SC NET 55 Gallon Drum

B-7 CHEMSEAL® POWER STEERING AND TRANSMISSION SEALER

Stops leaks by softening hard, brittle "O" rings and seals. Use as a leak preventative and conditioner to extend life of the transmission. Contains no harmful solvents, has excellent high temperature stability and is compatible with all types of transmission fluids and engine oils. B-7 Chemseal is an excellent sealer and conditioner for power steering and engine oil seals.

Part #0712 NET 11 fl. oz. (414ml.)

Easy Pour-In Long Neck Bottle

TITE GRIP® BELT DRESSING

Stops fan belt slippage and squeal. Unique formula contains no silicone and provides lasting protection to all fan belt types. Enhances power steering and alternator efficiency as it lengthens fan belt life.

Part #0807 NET WT. 7 oz. (198.5g.) Aerosol Can

BERRYMAN® LITHIUM GREASE

Ideal lubricant for all metal-to-metal applications. Reduces friction and fights rust and corrosion. Long lasting and will not freeze or melt under extreme pressure and heat conditions. Protects and lubricates automotive parts, machine and hand tools as well as farm and recreational equipment.

Part #2016 NET WT. 11 oz. (312g.) Aerosol Can
