World's Best Outdoor Accessories

In 1959 Coghlan's began building its line of quality camping accessories, starting with the Camp Stove Toaster, which are geared towards making your outdoor experiences more enjoyable. Whether you are a camper, fisherman, hunter, hiker or just love relaxing in the backyard; Coghlan's outdoor accessories have been tried and tested for over 58 years.

We are the leading outdoor accessory supplier in the United States and Canada and distribute over 500 accessories to over 30 countries throughout the world. Coghlan's maintains a fully stocked central warehouse in Eagan, Minnesota; in addition to our Winnipeg, Manitoba warehouse.

When you partner with Coghlan's for your outdoor accessories, you bring the strength of the leading

Over 500 Products
99% Fill Rate
+50% Gross Profit Margin

brand into your store. Coghlan's brings to you the best service and product in the business. We maintain large amounts of inventory, so out of stocks are minimized. Our fill rate is over 99% and our accessories have a high turn rate because our product and packaging drive impulse sales. Best of all, you can benefit from profit margins in excess of 50%. These benefits, combined with the best quality products make Coghlan's the first and best choice for outdoor accessories in your store.

It All Started With a Toaster...

Fifty nine years ago Norm Coghlan founded Coghlan's Ltd. with the Camp Stove Toaster, establishing the foundation for what would become the largest single brand of camping accessories in the world. Prior to forming his own company, Norm Coghlan sold lanterns, camp stoves, lamps, mantles and parts primarily to the hardware market in the United States and Canada.

In 1959, he bought a small service depot in downtown Winnipeg, Manitoba, Canada and operated it as a private company. At that time, the newly born Coghlan's Gas Appliances concentrated on the natural gas heating market that was opening up in Winnipeg. Norm Coghlan also added camping equipment such as tents, sleeping bags and air mattresses. There were many campers that would come in to bring their camp stoves and lanterns in for repair and they also bought and rented other camping equipment.

Norm was aware that customers wanted a way to make toast on their pump-up gasoline camp stove. Such an item was already being manufactured by a U.S. based company and they sold very readily in Coghlan's retail store. After inquiring with the toaster manufacturer, Norm found out that the toaster was being discontinued. He bought the entire inventory, rented a storage facility and this began Coghlan's distribution of camping accessories; facilitating people's outdoor enjoyment across the globe.

As popularity grew for accessories over the years, we added a central warehouse in Eagan, Minnesota, in addition to our Winnipeg, Manitoba warehouse - eventually shipping to over 30 countries worldwide. To keep up with demand, Coghlan's teamed up many

years ago with Opportunity Partners in the US and ImagineAbility Industries in Canada, two companies that offer packaging, assembly and fulfillment by people with disabilities. Coghlan's was Opportunity Partners' first large client and today is their oldest.

This partnership has made it possible for people with disabilities to earn wages and prosper in the community for more than 45 years. It is this relationship that sets us apart, allowing us to give back to our community and provide meaningful work to those who take great pride in a job well done.

Today, tradition holds true. The Camp Stove Toaster is still in the product line - but now alongside over 485 accessories that make being in the outdoors more enjoyable.

Coghlan's is dedicated to providing superior product and packaging, outstanding customer service, and maintaining our community relationships to make us the first choice in outdoor accessories.

In 2015, Coghlan's acquired the McNett Corporation based out of Bellingham, Washington. McNett has been servicing the outdoors market for 35 years under the brands Gear Aid, M Essentials, McNett Tactical, Outgo and Aquamira. Now called Gear Aid, the product line features over 100 products to make you get more from your gear, improve your odds in the field and travel smarter. Together, Coghlan's and Gear Aid are expanding their already large product offering to lead the outdoor accessory market and beyond.

We are the leading outdoor accessory supplier in the United States and Canada, and distribute over 500 accessories throughout the United States, Canada, South America, Europe, Africa, Asia and Australia.

COGHLAN'S
The Outdoor Accessory People

Planogram For Success

You owe it to yourself and your business to build every inch of retail space that maximizes sales and profits. At Coghlan's we bring 59 years of camping accessory experience to your shelves with state of the art software to provide the best layout support.

Coghlan's Planograms take the guess work out so you don't waste valuable time in what to stock and how to merchandise. Coghlan's will design the merchandising order of your products so that your wall and shelves of accessories come alive and do the selling for you.

You'll experience:

- Greater sales
- Stronger turns
- Higher profit per square foot
- Tighter inventory control and reduced out of stocks
- Faster replenishment
- Satisfied customers

Whether you're an existing customer or new to the camping accessories category let Coghlan's assist you in your Planogram needs. It's fast and is included as a value added service.

Spaceman Merchandising Software places Coghlan's products on a digital layout and visually places them in optimal positions for your specific display area.

Real Green

Coghlan's commitment to the outdoors does not just stop at great gadgets and accessories.

In 2008, we began to fulfill a mission to update our iconic "green and yellow" packaging. Our goal was to enhance our brand visuals by incorporating a look that was more outdoorsy while reducing packaging materials to lessen our impact on the environment.

The result was a package design that retained the brand identity so many consumers were familiar with and also reduced the packaging materials it was made with to make it more environmentally friendly. To date, this mission is almost complete. Over 485 outdoor accessories have been revitalized by the new look and our environmental footprint is reduced.

Coghlan's is confident our new packaging will keep our products' impulse sales fresh and deliver a product that continues to position us as the leader in outdoor accessories. Our approach to green is real, it's in our history, in our packaging and it's ready for the outdoors.

- 35% Decrease in Plastic Blister Packaging

Coghlan's Helping Hands

Coghlan's Ltd. has enjoyed a long and valued relationship with five community organizations who provide support services for people with a wide range of intellectual disabilities. Coghlan's is partnered with Opportunity Partners in the USA, and ImagineAbility, Epic/Smile St. Malo and enVision of Manitoba, Canada.

Coghlan's has chosen to support these community organizations because it creates jobs for people within our communities. These organizations help with the assembly, quality control and packaging of Coghlan's products — in fact over 152 Coghlan's products are assembled and packaged by these special individuals with great pride and attitude.

Opportunity Partners, the largest of these organizations, helps people with disabilities prepare for work in the community and succeed in the workplace, either independently or as members of a work team.

Coghlan's will continue our 45 year advocacy of these organizations, believing that it is important to give back to our communities. Thank you to all of our helping hands!

NEW FOR 2018

15" Nail Peg

Made of heavy duty plated steel. Penetrates the hardest ground. Extra length for added stability.

- Great for awnings and larger tents
- Length: 15" (38.1 cm)
- 6/case

NEW FOR
2018

Twist Anchor

Coghlan's Twist Anchor is a lightweight solution to provide superior holding power to secure your tent, awning, or other shelter into the ground. Made of high quality acetal plastic, this durable yet flexible peg can screw into many types of ground including sand or soil. The top hook and eyelet at the top of the anchor can be used to tie in most types of rope and cord for a secure hold; and holds securely where conventional pegs are prone to slip and fail. Simply push and screw into sand, soil or snow, and tie down your tent, boat or anything else, using the hook at the top, or the eyelet in the handle.

- Can screw into sand or soil, and also works underwater!
- Made of durable acetal plastic for increased strength and flexibility. Product can be bent, and return to its natural position.
- Great for tying down pets, tents, awnings, shelters, or mooring small boats.
- Dimensions: 12.6" (32 cm) tall, 3.1" (8 cm) wide, 1.2" (3 cm) thick
- Weight: 2.2 oz (62.4 g)

#1803 - Twist Anchor (Single)

- 8/case

- Length folded: 10" (25 cm)
- 4/case

#8408

Trowel

A lightweight, convenient trenching tool made of high impact plastic.

- Weight: 2 oz. (55 g)
- 12/case

Tent Pegs & Mallets

Twist Anchor

Coghlan's Twist Anchor is a lightweight solution to provide superior holding power to secure your tent, awning, or other shelter into the ground. Made of high quality acetal plastic, this durable yet flexible peg can screw into many types of ground including sand or soil. The top hook and eyelet at the top of the anchor can be used to tie in most types of rope and cord for a secure hold, and holds securely where conventional pegs are prone to slip and fail. Simply push and screw into sand, soil or snow, and tie down your tent, boat or anything else, using the hook at the top, or the eyelet in the handle.

- Can screw into sand or soil, and also works underwater!
- Made of durable acetal plastic for increased strength and flexibility. Product can be bent, and return to its natural position.
- Great for tying down pets, tents, awnings, shelters, or mooring small boats.
- Dimensions: 12.6" (32 cm) tall, 3.1" (8 cm) wide, 1.2" (3 cm) thick
- Weight: 2.2 oz (62.4 g)

#1803 - Twist Anchor (Single)

* Safe working loads listed are conservative estimates based on the weight of the rope. All ropes should be stored clean, dry and out of direct sunlight. Avoid using rope that shows signs of aging and wear.

50' Nylon Paracord

This cord is great for outdoor camping, hunting, tactical, survival bracelets and more. The Type III Commercial Grade 550 Cord features seven individual inner core strands. The inner core strands not only serve to add strength, but sections of the core can be used as sewing thread, fishing lines, and many other survival uses. This is a "must have product" for campers, hunters and backpackers. Useful for shelter building, gear repair, snares and traps.

- Will not rot or mildew
- MADE IN USA

#1219

Pop-Up Camp Trash Can

Lightweight handy trash can to have around the campsite, RV, or motor home. Spring loaded trash can is simple to use; just unzip the storage lid and the spring loaded container automatically expands to its full size. When you're finished using it, simply push it down flat, and secure the nylon ties on the sides.

- Made of heavy duty polyethylene fabric
- Fully zippered top, 2 web strap carry handles
- Fits any standard 33 gallon (125 litre) trash bag
- Unfolded Dimensions: 19" (46 cm) Diameter, 24" (61 cm) Tall
- Approximate Volume: 111 L (29.5 gal.)
- Folded Dimensions: 19" (46 cm) Diameter, 1.75" (4.4 cm) Thick
- 4/case

Bag Comparison by Scale

Lightweight Dry Bag

Made from lightweight Rip-Stop fabric which packs down better than a traditional bulky Dry Bag. Seams are fully taped and waterproof. Use them for backpacking, adventure travel or water sports. Not intended for situations where dry sack will be submerged under water. Material: 40D Rip-Stop Nylon.
