DOOR STOPS - HINGE PIN

SKU	Description	Finish	Case Pk.
30690	Door Saver ®	Polished Brass	50/500
30691	Door Saver ®	Chrome	50/500
30692	Door Saver ®	Antique Brass	50/500
30693	Door Saver ®	Satin Nickel	50/500
30694	Door Saver ®	Antique Nickel	50/500
30696	Door Saver ®	Oil Rubbed Bronze	50/500

Door Saver installs with the hinge pin. This allows the door to be stopped without damaging the door or jamb.

Door Saver II ® Ultra low profile design replaces the hinge pin to create bumperless protection for doors and trim.

- Bumperless design eliminates damage to doors and trim
Installs in seconds – no tools required
- Hinge mounted to fit all doors
- Won't work loose like conventional hinge-mounted products
- Made from strong carbon steel
Additional finishes will be available soon

SKU	Description	Finish	Case Pk.
01274	Door Saver II ®	Satin Nickel	50/500
01276	Door Saver II ®	Oil Rubbed Bronze	50/500

LOCKSETS / RESIDENTIAL TRILENNIUM™ Multi-Point Locking System

Security. Strength. Reliabilty. Performance.

One solid unit with three latches based on the strength of patented I-Beam construction for reliable, proven performance. Operating as one, all three latches engage when the door is closed. One movement of the thumbturn or key activates all three deadbolts. Each latch is a deadbolt and adds high-performance security.

LOCKSETS / RESIDENTIAL

Yale Residential Securities offers a complete range of lockset styles and finishes perfectly suited to complete your **BHI Doors** exterior system. Combining years of engineering refinement with fine craftsmanship, Yale continues the high standards set forth by Linus Yale in the mid-19th century. Three collections of locksets offer superior functionality, easy installation, and secure performance. All Yale locksets are backed by a lifetime limited finish and mechanical warranty.

COMPOSITE SHIMS

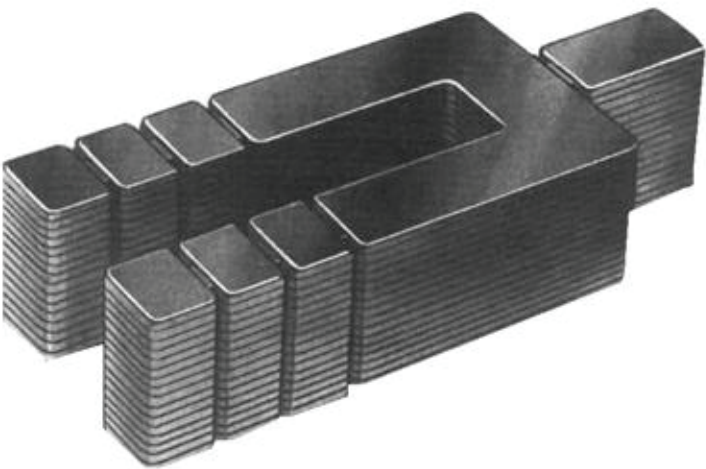

Waterproof
Mildew resistant – will not rot
Impervious to insects
Resists splitting, splintering, swelling and warping.
50% greater compression strength than traditional wood shims.

Uses:
Leveling doors & windows, cabinets & appliances.
Mixing paints & stains.
Spreading adhesives and glues.
Snaps easier than wood at natural break points (perforations).
Easily drilled and cut.
