

# Solder. Cut. Smooth.

Shadow-free LEDs help you take aim  
on your most ambitious DIY projects

9400PKS Soldering Gun

**Weller**<sup>®</sup>

## For your DIY electrical home repair and hobbies

Solder. Cut. Smooth.  
Shadow-free!

(see tips page 7)

### Cool LEDs!

Weller's new 9400PKS soldering gun features 3 cool LEDs that brightly illuminate your work without tip shadow, and a smooth, contoured grip with balanced housing that greatly reduces hand fatigue, allowing you to sharply focus on your soldering.

### Innovative housing designed with superior ergonomics

- > Soft grip surface prevents slipping
- > Fits comfortably in the hand - reduces fatigue
- > Balanced housing for ease of positioning
- > The hex wrench for quick tip changes is easily and comfortably stored in the grip

9400PKS

### Guaranteed!

- > 7-year warranty – the longest in the industry

### Built-in ball guard protects cord

- > The pivot of the ball prevents twisting and extends life of cord

### “Rock and roll” grip foot

- > Ergonomically-designed top to bottom – you can solder while resting and rocking the 9400PKS's rounded foot on your workbench.

### Dual power trigger 140 / 100 W

- > 2 power settings, trigger position selects high or low power
- > Lightning fast, ready to use in 6 seconds
- > Operating temperatures up to 900 °F

Trigger released:  
Power off

Trigger pulled halfway:  
140 W power

Trigger pulled all the way:  
100 W power

# The 9400PKS soldering gun at a glance...

**6-second heat up**  
Tip is ready to solder almost immediately. No waiting!

**3 built-in LEDs**  
➢ Provide bright spotlight on your soldering joint  
➢ Eliminate tip shadow

**Dual power trigger**  
**140 W / 100 W**  
Two trigger positions control power at high to medium heat (up to 900 °F)

Weller®

**The Weller 7-year warranty**  
Just another reason to trust our brand!

**Hex wrench stored in handle**  
The hex wrench is used to quickly change out tips and easily snaps in and out of the grip.

**Ball guard**  
The pivot of the ball prevents twisting and prolongs life of the cord.

**Perfect fit – pistol grip feels just right**

- Soft, non-slip grip surface
- Balanced housing
- Safe, ergonomic design

**Rock and roll grip foot**  
Place the gun's rounded grip foot on the workbench to support the gun while you solder.

9400PKS Technical data	
Dimensions (L x W x H)	300 x 275 x 65 mm 11.8 x 10.8 x 2.6 inches
Weight	810 grams / 1.8 lbs.
Power	140 W / 100 W
Temperature range	Up to 900 °F / 482 °C
Voltage input	120 V
Supplied tip(s)	7135 W, 6150, 6160
Heat-up time	6 seconds
Application light	3 LEDs
Duty	Heavy

### Heating cycle

- › For intermittent usage
- › Trigger-pull heater activation
- › One minute on, 4 minutes off

### Applications\* for soldering, cutting and smoothing

● Recommended ◐ Acceptable \*NOT RECOMMENDED FOR: microcomponents, electronic kits, low voltage wiring, pcbs, radio-controlled, indoor lighting

## Solder. Cut. Smooth. Shadow-free!

High quality, genuine Weller tips included for a wide variety of jobs including soldering, cutting, and smoothing. Tips are tin-plated copper for highest efficiency.

### 9400PKS Soldering Gun Kit

What's included:

9400 Soldering gun  
Sold only with kit  
Order no. 9400PKS

Soldering gun tip  
Order no. 7135W

Cutting tip  
Order no. 6150

Smoothing tip  
Order no. 6160

Hex wrench  
Order no. W355CH

### Accessories

Iron-plated copper  
soldering gun tip  
Order no. 8125W

Rope cutting tip  
Order no. RCT

Also offering an extensive selection in professional soldering, filtration, and precision tools
