HOW IT ALL COMES TOGETHER

NEW YORK 1929

Arrow was founded in 1929 by Morris Abrams and run by the Abrams family until it was acquired by Masco, a fortune 500 manufacturer of home improvement products, in 1999.

Our commitment to family values and the entrepreneurial spirit of our founder continues to this day and is reflected in our products and programs, which enable people to complete projects and learn together. It's how we have led the industry in innovation, style and functionality for over 85 years.

On the cover: T50HS™ PowerShot Advanced Professional Staple Gun

CONTENTS

HOW IT ALL COMES TOGETHER

MANUAL
STAPLE GUNS & ACCESSORIES

T50R.E.D.™
Professional Staple Gun & Nailer

The Arrow T50R.E.D. combines professional power and versatility with a surprisingly easy-to-squeeze design. A high/low power switch adjusts the drive force to drive staples and brads into both hard and soft surfaces, and a soft, no-slip handle ensures a good, solid grip. The convenient bottom-load magazine makes reloading and clearing jams easy and hassle free. A staple viewing window indicates when staples are running low.

Item UPC Code	079055123903
Staples	504, 505, 506, 508, 509, 50CT
Brad Nails	BN1810CS, BN1812BCS, BN1816BCS

See page 35 for brad nail options.

T50ELITE™
Professional Staple Gun & Nailer

The Arrow T50Elite combines professional power and versatility with a smooth, easy-to-squeeze action. A high/low power switch adjusts the drive force to drive staples and brads into both hard and soft surfaces. The convenient bottom-load magazine makes reloading and clearing jams easy and hassle free. A patented retractable wire guide makes stapling wires easy while a staple viewing window indicates when staples are running low.

T50OC™
Outward Clinch Staple Gun

Designed for the packaging industry, the Arrow T50OC Outward Clinch Staple Gun crimps staple ends outward for use in demanding packaging applications. Proudly made in the USA, it utilizes a chromed all steel housing, jam-resistant mechanism, powerful coil spring, and hardened steel working parts that will stand up to the toughest packaging jobs. The staple viewing window shows operators when staples are running low.

Item UPC Code	079055000525
Staples	506, 508, 509

See pages 27-28 for staple options.

T55BL™
Staple Gun

The Arrow T55BL is a great choice for occasional DIY users looking for a dependable yet economical tool. It features a soft, ergonomic comfort handle for a sure grip and easy use. The convenient bottom-load magazine design makes reloading and clearing jams fast and hassle free and a self-locking handle provides both safety and easy storage. Plus, a staple viewing window indicates when staples are running low.

Item UPC Code	079055100034

See pages 27-29 for staple options.

T55C™
Staple Gun

The T55C is a powerful and dependable all-purpose staple gun with a value conscious design. Ideal for DIY and occasional use, it features an all chromed steel housing, jam-resistant design, and a powerful coil spring mechanism. A molded resin handle stop and metal handle lock, a classic rear-load magazine, and a staple viewing window add extra value to this convenient, easy to use tool. Proudly made in the USA.

Item UPC Code	079055005513
Staples	504, 505, 506, 508, 509, 50CT

See pages 27-29 for staple options.

DIY   Professional   Crafter

TT21™
TruTac™ Stapler

BEST SELLER

Sleek design, easy operation, and surprising power make the TT21 TruTac fine wire stapler one of Arrow's top consumer rated tools. The patented forward action design allows operators to push the handle rather than squeeze – a great benefit for females and those with smaller hands. The convenient bottom-load magazine makes reloading and clearing jams easy, and a staple viewing window indicates when staples are running low.

Item UPC Code	079055100027
Staples	214, 215, 276

See page 30 for staple options.

JT21CM™
All Purpose Staple Gun

MADE IN USA

Proudly made in the USA, the Arrow JT21CM features an all chromed steel housing, jam-resistant mechanism, proven rear-load magazine, and steel working parts hardened in a 1,500 degree furnace. A rugged coil spring gives this tool the power and performance one would expect from a much larger stapler – in a smaller fine wire format. And a convenient staple viewing window indicates when staples are running low.

Item UPC Code	079055002116
Staples	214, 215, 276

See page 30 for staple options.

JT27™
Stapler

The JT27 is a great choice for occasional DIY users looking for a dependable yet economical fine wire stapler. The JT27's convenient bottom-load magazine with pinch release makes reloading and clearing jams easy and hassle free. The handle lock secures the handle against the tool frame, making this compact and convenient tool easy to store safely anywhere. Plus, a staple viewing window indicates when staples are running low.

Item UPC Code	079055270003
Staples	214, 215, 276

See page 30 for staple options.

P22™
Plier Stapler

BEST SELLER

MADE IN USA

Proudly made in the USA, the P22 is Arrow's top selling plier stapler. Every day, it meets the demands of busy counters, shops, homes, and offices across America. Its unique cam design, chromed steel housing, hardened steel parts, easy to clear magazine, staple viewing window, and 2.5 inch throat deliver professional and reliable stapling performance on paper, plastic, cardboard, or bags. Staples up to 40 sheets of paper.

Item UPC Code	079055000228
Staples	224, 225

DIY   Professional   Crafter

9

HT55™
Slim Hammer Tacker

BEST SELLER

The HT55 is Arrow's best-selling slim hammer tacker. The lightweight, stamped steel housing is precisely balanced to deliver quick, powerful strikes. The ergonomic rubber handle with integrated hand stop means the operator's hand won't slip and a rugged rear-load magazine holds two full strips of staples, minimizing downtime for reloading. The HT55 is great for insulation, flooring, and roofing applications where speed and ease of use are key.

Item UPC Code	079055123705
Staples	504, 505, 506

See pages 27-28 for staple options.

HT55BL™
Hammer Tacker

The HT55BL was developed for home DIY users who need a dependable yet economical tool. It features a soft, ergonomic comfort handle and lightweight stamped steel body making it easy to handle for the occasional user. The convenient quick-load magazine makes reloading and clearing jams so easy that users can do it one handed – perfect for when on a roof or in a tight space.

Item UPC Code	079055100041
Staples	504, 505, 506

See pages 27-28 for staple options.

HT19™
Insulation Hammer Tacker

NEW

Designed specifically for installing fiberglass insulation quickly and professionally, the new Arrow HT19 Hammer Tacker features a durable chrome plated steel housing, lightweight balanced design, quick-load magazine, and soft rubber handle to make it easy to handle for fast, repeated, well controlled strikes in tight spaces. It fires fine wire series 19 staples, a popular size among professional installers. The magazine capacity is one staple strip.

Item UPC Code	079055190004
Staples	194IP, 195IP, 196IP

See page 33 for staple options.

HT26™
Insulation Hammer Tacker

DIY   Professional   Crafter

T37™
Wire Staple Gun
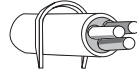

Arrow's T37 Wire Staple Gun is a specialty tool for professionals installing thermostats and low voltage communication wires in residential or commercial applications. The T37's durable chromed steel finish, jam-resistant mechanism, time-tested rear-load magazine, and hardened steel working parts ensure years of service in even the most demanding applications. A grooved wire guide and driving blade help to prevent wire damage. Proudly made in the USA.

Item UPC Code	079055000372
Staples	376, 378, 379

See page 31 for staple options.

T75™
Sheathed Wire Staple Gun
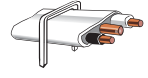

The T75 is the ideal solution for installing non-metallic sheathed cable in new residential buildings. It can dramatically reduce both installation time and wire damage. The double leverage operation and contoured rubber hand grip make operation easy. Great for installing wire up to ½". The T75, with its all chromed steel housing, hardened steel working parts, powerful coil spring, and rear-load magazine is proudly made in America.

Item UPC Code	079055000754
Staples	759, 7510, 7514

See page 33 for staple options.

T59™
Insulated Cable Staple Gun

BEST SELLER

The T59 is the Pros' choice for installing data and communication cables. Whether installing Cat 5 cables, RG-59, or RG-6 cables, this tool will secure the wires without crimping. A grooved wire guide tracks along the cable, speeding the work and preventing damage. Also features chromed steel housing, hardened steel working parts, a reliable and durable rear-load magazine, and a comfort handle. Proudly made in the USA.

Item UPC Code	079055059004
Staples	591168, 591188, 591189

See page 32 for staple options. Uses insulated staples.

T72™
Insulated Cable Staple Gun

The Arrow T72 is the ideal tool for professional installation of computer cable, dual RG-6 and non-metallic sheathed cable. The insulated C-UL-US listed staples meet current standards, are approved for jobsites, and won't crimp or damage the wire. This staple gun features an all chromed steel housing, hardened steel working parts, proven rear-load magazine, and a grooved wire guide and driving blade. Proudly made in the USA.

Item UPC Code	079055720003
Staples	721168, 721168HW, 721189

ELECTRIC
STAPLE GUNS & BRAD NAILERS

T50ACD™
Compact Electric Staple Gun

NEW

Unlike traditional electric tools, Arrow's breakthrough T50ACD electric stapler delivers consistent driving performance regardless of jobsite power fluctuations – even on a 100 foot extension cord. A motor drive replaces the traditional solenoid design and frees the tool from dependence on a narrow range of power specifications. The result is maximum power with every shot. T50ACD also features a convenient bottom-load magazine with a quick release feature, soft overmolded grip, contact safety, oversized trigger, and staple viewing window.

Item UPC Code	079055102106
Staples	504, 505, 506, 508

See pages 27-28 for staple options.

T50DCD™
Cordless Electric Staple Gun

NEW

The new T50DCD is a cordless stapler like no other. Its internal 3.6v lithium-ion battery combines with Arrow's new breakthrough design to deliver over 500 full power shots on every full charge – 25% more than competitive cordless tools*. The result is maximum power per shot and more shots per charge. The cordless electric stapler also features a battery indicator light, convenient bottom-load magazine with quick release feature, a soft overmolded grip, contact safety, oversized trigger, and a staple viewing window. Charger included in the retail pack.

Item UPC Code	079055110217
Staples	504, 505, 506, 508

See pages 27-28 for staple options.

*Delivers up to 25% more shots per full charge than compared to competitive 3.6v integrated Lithium staplers. 2 year limited warranty. For terms and conditions see www.arrowfastener.com.

PRODUCTS

TR550™
All Purpose Glue Gun

BEST SELLER

The Arrow TR550 is a heavy duty, durable glue gun great for both DIY and pro applications. Features include self-limiting heat chamber, extended trigger, removable precision nozzle, integrated dual purpose drip tray, and handy retractable stand. Double glue stick capacity enables use of 10 inch glue sticks or two shorter glue sticks. An integrated safety fuse protects both user and tool. Great for upholstery, crafts, and general repair projects.

Item UPC Code	079055000020
Glue Sticks	▇ Glue Sticks

See page 26 for glue stick options.™

TR400DT™
Dual Temperature Glue Gun

The Arrow TR400DT offers dual temp capability for maximum performance on any task. High temp setting delivers maximum hold and faster setting time. Low temp setting is ideal for delicate materials and applications requiring a longer set time. Features durable housing, self-limiting heat chamber, dual temperature adjustment, and rubber safety nozzle. An integrated safety fuse protects both user and tool. Great for upholstery, crafts, and general repair projects.
