Drop Ship Approvals: Orders greater than \$250 require that you obtain an Emery purchase order number prior to shipment. The purchase order number is your credit approval to ship and is good for ten (10) days. Orders delayed beyond this period of time require a new purchase order number. To obtain one, please phone (207) 775-2371 and press 8 for the Credit Department. The credit decision will be made when you call and you will be given a purchase order number at that time. Please note: Invoices over \$250 which are received without indicating the Emery-assigned purchase order number and 6-digit Emery customer number, or are not received in duplicate, cannot be processed for payment.
