

# 0-TP-54

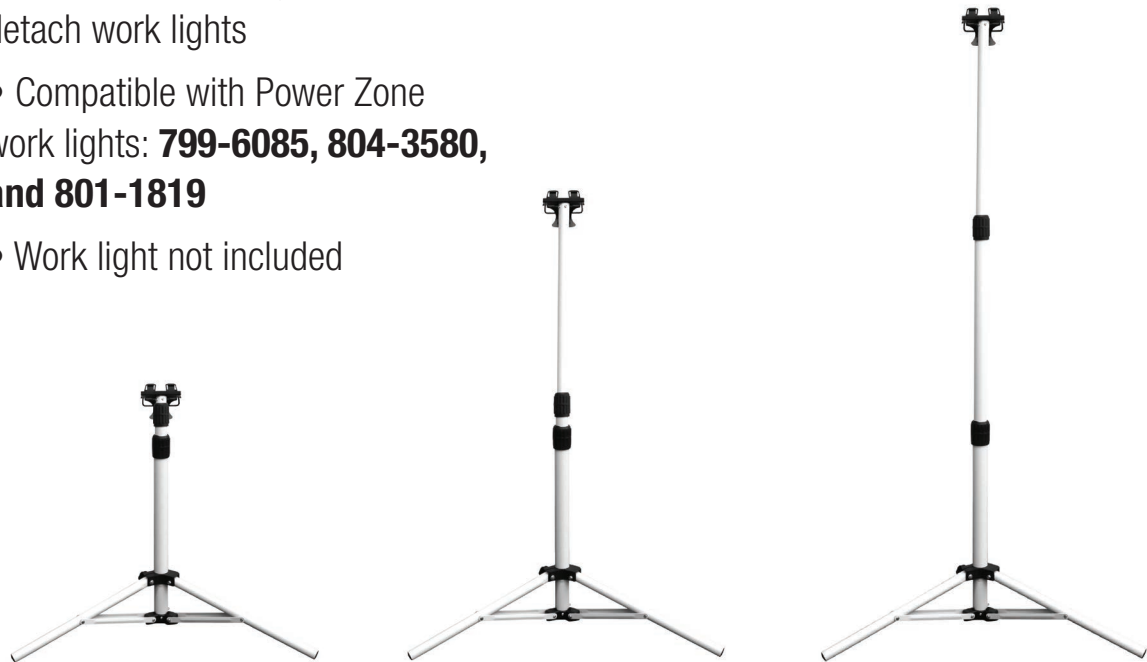

# 8102659

UPC: 850040548785

Get the perfect lighting height for your project with this 54 inch telescoping tripod with universal fast latch. Setting the product up is as easy as 1-2-3 with simple twist-lock column and lightweight aluminum construction. When not in use this tripod collapses down into an easily transported compact unit.

- Quick release: easy to attach and detach work lights
- Compatible with Power Zone work lights: **799-6085, 804-3580, and 801-1819**
- Work light not included
