## All black blade brings a new level of visibility to measurement

With its revolutionary all black blade, the Lufkin Black Widow tape measure makes a statement on any job site. High contrast green markings on both sides of the blade provide improved legibility in multiple light conditions. A 360-degree end hook and 10-foot standout work together to make tough jobs easier. And a rugged thermoplastic rubber over-mold case features 5-screw construction for maximum durability.

- *High-contrast green markings for improved legibility in varied light conditions*
- *Matte nylon blade coating provides reduced glare and longer life*
- *10-foot standout blade for improved versatility and ease-of-use*
- *360° end hook grips objects from all sides*
- *Thermoplastic rubber over-mold case with 5-screw design provides increased impact resistance*
- *Integrated tether point for added safety when working at height*

*Two-sided blade with vertical marks on back for faster, more convenient measuring*
