

ALL ABOUT HARDWARE

AGRICULTURAL FENCING • CONCRETE ACCESSORIES • METAL BUILDING SCREWS

Founded in 1999, Acorn International is an importer of agricultural fencing, concrete accessories, and building fasteners. Located in Memphis, Tennessee, we are ideally situated to service customers in the Central and Eastern United States. With our 50,000 square feet of warehouse, we maintain large inventories and generally ship orders complete in two working days after receipt. Our model of a small number

of large accounts keeps our overhead low and makes us the low-cost source in our line of goods. With old and new relationships with brokers and mills in China and Taiwan, we competitively source an expanding line of hardware and building materials into our warehouse and on a direct mill basis.

We are and will remain devoted to our customers. If you are a hardware

or building materials distributor, we would like to do business with you. We work hard, and we are competitive. We have a good reputation in the industry. Because we like what we do. Because we are all about hardware.

CONCRETE & MASONRY PRODUCTS

FOUNDATION ANCHOR BOLTS

Used to securely fasten plate or sill to concrete foundation or slab.

PRODUCT #	DESCRIPTION	CARTON QUANTITY	CARTON WEIGHT	PALLET QUANTITY
AB126	ANCHOR BOLT 1/2"X6" • W/NUTS & WASHERS	50/CTN	19 LBS	50 CARTONS
AB128	ANCHOR BOLT 1/2"X8" • W/NUTS & WASHERS	50/CTN	19 LBS	50 CARTONS
AB1210	ANCHOR BOLT 1/2"X10" • W/NUTS & WASHERS	50/CTN	23 LBS	50 CARTONS
AB1212	ANCHOR BOLT 1/2"X12" • W/NUTS & WASHERS	50/CTN	23 LBS	50 CARTONS

METAL BUILDING SCREWS

#9 METAL TO WOOD SCREW • 1 INCH

- Best for metal-to-wood applications
- Self-tapping type 17 point
- Twin lead threads for fast drive time
- Hi-Lo threads for increased hold
- Bonded EPDM washer
- 1,000 hour dacro coating
- Packaged in convenient re-sealable bags of 250
- Powder coated heads available in popular matching colors

METAL BUILDING SCREWS

#9 METAL TO WOOD SCREW • 2.5 INCH

- Best for metal-to-wood applications
- Self-tapping type 17 point
- Twin lead threads for fast drive time
- Hi-Lo threads for increased hold
- Bonded EPDM washer
- 1,000 hour dacro coating
- Packaged in convenient re-sealable bags of 250
- Powder coated heads available in popular matching colors

METAL BUILDING SCREWS

#9 METAL TO WOOD SCREW • STAINLESS STEEL

- *Type 316 Stainless Steel*
- *Best for metal-to-wood applications*
- *For use near water and high-moisture environments*
- *Twin lead threads for fast drive time*
- *Hi-Lo threads for increased hold*
- *Bonded EPDM washer*
- *Packaged in convenient re-sealable bags of 250*

PRODUCT #	SIZE	COLOR	HEAD SIZE/TYPE	THREAD TYPE	POINT TYPE	CARTON QUANTITY
SW-MW15SS250	#9 X 1.5"	STAINLESS STEEL	1/4" HEX HEAD	HI-LO	TYPE 17 SELF-TAP	2,500 /CTN

#14 METAL TO WOOD SCREW

- *Best for metal-to-wood applications*
- *Self-tapping type 17 point*
- *Twin lead threads for fast drive time*
- *Hi-Lo threads for increased hold*
- *Bonded EPDM washer*
- *1,000 hour dacro coating*
- *Packaged in convenient re-sealable bags of 250*

PRODUCT #	SIZE	COLOR	HEAD SIZE/TYPE	THREAD TYPE	POINT TYPE	CARTON QUANTITY
SW-MW1415G250	#14 X 1.5"	GALVANIZED	5/16" HEX HEAD	HI-LO	TYPE 17 SELF-TAP	1,500 /CTN

METAL BUILDING SCREWS

#10 PHILLIPS HEAD PLY METAL SCREW WITH WINGS

- For attaching plywood to sheet metal
- Wings eliminate pre-drilling
- #2 Phillips flat-head
- 1,000 hour salt spray coating
- Packaged in convenient re-sealable bags of 250
- #3 Self Drilling Points

PRODUCT #	SIZE	COLOR	HEAD SIZE/TYPE	THREAD TYPE	POINT TYPE	CARTON QUANTITY
S-WM101716G250	#10 X 1 7/16"	GALVANIZED	#2 PHILLIPS FLAT-HEAD	SELF-DRILLING	WINGED	2,000 / CTN

#12, #14 FLAT HEAD SCREW WITH WINGS

- For attaching wood boards to metal
- Wings eliminate pre-drilling
- T-30 Star Drive Head
- 1,000 hour salt spray coating
- Packaged in convenient re-sealable bags of 250
- #3 Self Drilling Points

PRODUCT #	SIZE	COLOR	HEAD SIZE/TYPE	THREAD TYPE	POINT TYPE	CARTON QUANTITY

S-WM14314G250	#14 X 3 1/4"	GALVANIZED	T-30 STAR DRIVE	SELF-DRILLING	WINGED	750 / CTN

METAL BUILDING SCREWS

#12 SELF DRILLING

- Best for metal-to-metal applications
- #3 Self drilling Point
- 5/16" hex head
- Bonded EPDM washer
- 1,000 hour dacro coating
- Packaged in convenient re-sealable bags of 250
- Powder coated heads available in popular matching colors

METAL BUILDING SCREWS

#12 STITCH SCREW

- Used to fasten side laps of light gauge metal sheeting
- 1,000 hour salt spray coating
- 1/4" hex head
- Powder coated heads in popular matching colors
- Bonded EPDM washer
- Packaged in convenient re-sealable bags of 250
