3M™ All-Purpose Putty

This formula has been the choice of homeowners and professional contractors for years. It quickly and easily fills, patches, seals and repairs walls, knotholes, damaged tiles, shingles, fences, gutters, windows and doors. Easy to mix, spread and sand in 20 minutes. Available in quart and gallon. Includes White Cream Hardener.

3M™ Auto Body Filler

Bondo® Auto Body Filler is designed to repair dents, patches and rust holes, and can fill in chips in metal. 3M™ Filler spreads easily, and can be sanded in 20 minutes. Finish auto body projects the same day you start. Compatible with all paint systems. Available in quart and gallon. Includes Red Cream Hardener.

3M™ Red Cream Hardener

Bondo® Red Cream Hardener is designed to be used with Bondo® Auto Body Filler as the curing agent. Easily mixes with Body Filler to make repairs. Available in 2.75 oz tube.
