

Diamond Crystal® Bright & Soft™ and Iron Fighter® Salt Blocks

Made with up to 99.8% pure salt, these premium-purity salt blocks feature a recyclable cardboard sleeve. Virtually 100% water soluble, this salt is specially formulated to resist mushing and bridging in the brine tank- helping to keep your softener clean and trouble-free.

The Iron Fighter® formula salt block also contains a highly effective rust remover which helps to prevent rust stains on laundry and household fixtures.

Recommended for use in most water softeners, as directed by manufacturer.
Available in 25 lb. blocks in limited areas.
