HAND TOOLS & STORAGE

TRADITION. PRODUCTIVITY. INNOVATION.

These words are everything you know STANLEY® Tools represents. They encompass all that we strive to incorporate into each product. That is why every year our engineers and research team go above and beyond to collect consumer feedback, conduct quality testing and use their own vast knowledge of hand tools to improve our broad line of products. With that information put to work in the lab, we bring you our professional STANLEY® and STANLEY® FATMAX® product lines with industry-leading innovations. We work to continually design products with superior features that will see you through to the end of your job and beyond.

AUTO-LOCK TAPE RULES

Throughout its long history of manufacturing, STANLEY® has been driven by an unwavering commitment to quality, innovation and precision. These principles led to the design and manufacture of the Auto-Lock tape rule. With a blade that automatically locks at the length to which it is extended to the customizable hook system, STANLEY® continues to deliver innovations that matter.

STANLEY

TLM99s LASER DISTANCE MEASURER

The TLM99s Bluetooth® Smart Laser distance measurer offers highly advanced capabilities in an easy-to-use compact design. Measurements ranging up to 100' and an accuracy of 3/32" give this affordable LDM its high professional grade tolerance. Featuring state of the art electronics, the TLM99s is the first STANLEY® LDM to feature Bluetooth® connectivity and its very own app*. The TLM99s also offers an area, volume and continuous measurement mode to make estimates and appraisals quick, easy and efficient.

*available on both Google Play for Android and App Store on iTunes.

100 ft range

Measures distance, calculates area and volume for easy job estimates

Bluetooth® Technology allows you to sync your TLM99s directly to most smart phones, tablets and computers

Download the free STANLEY® Floor Plan app

Bluetooth® is a registered trademark of Bluetooth SIG, Inc.

STANLEY® LASER DISTANCE MEASURERS

100' Laser Distance Measurer with Bluetooth®

- Range 100' / Accuracy +/- 3/32"
- Measures distance, calculates area and volume for quick and easy job estimates
- Addition/subtraction function for convenient way to compute on the job without a calculator or manual math
- Continuous measurement to help find target distance fast
- Integrated Bluetooth® connection links directly to Stanley measuring and layout Apps on smartphones and tablets
- Links directly with STANLEY® Floor Plan App

STANLEY[®] FATMAX[®]

MULTI PURPOSE BLADES

STANLEY[®] blades have become so popular that its state-of-the-art manufacturing facilities must create over 20,000 miles of blades each year. With blades available in a variety of sizes and styles, STANLEY[®] has a blade to meet almost any need.

STANLEY[®] BLADES

STANLEY[®] FATMAX[®]

Carbide Heavy-Duty Utility Blades

- World's longest lasting blade stays sharp 5X longer*
- Laser deposited Carbide edge delivers long lasting blade for the jobsite
- Steel body allows flexibility to help prevent breaking

*compared to traditional steel and bi-metal blades

STANLEY
FATMAX

PREMIUM SAWS

STANLEY® continues to innovate and develop new and long-lasting saws. The STANLEY® FATMAX® saws have BladeArmor™ coating for 2X rust protection, 6X abrasion resistance and 50% less friction* making these saws great for cutting a variety of materials.

*compared to STANLEY's® lacquered blades

BladeArmor® coating helps reduce friction while cutting

Tri-material handle for reduced slipping and added comfort

Sharp Triple Ground Teeth

Low Friction Blade Armor

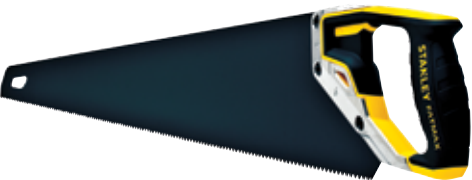

Hardened For LongLife

Induction hardened teeth for long life

STANLEY® FATMAX® SAWS

STANLEY
FATMAX

Aggressive Cut Saw

- Triple ground tooth technology is 4X sharper* for fast cuts
- Induction hardened teeth for long life
- BladeArmor® coating helps reduce friction while cutting

*compared to traditional toothed saws

FRAMING	78-79
NAILING	79-81
SPECIALTY	81-86
COMPO-CAST®	87

STANLEY
FATMAX

ANTI-VIBE® HAMMERS

STANLEY® Anti-Vibe® Technology isolates vibrations to the hammers head, minimizing the strain on your arm. Pounds nails, not arms. The steel core adds durability, shock resistance, and over-strike protection, while the FATMAX® composite handle with head to handle assembly further reduces vibration in the handle.

STANLEY® FATMAX® TWO-PIECE STEEL ANTI-VIBE® HAMMERS

STANLEY
FATMAX

Two-Piece Steel Anti-Vibe® Hammers

- Two-piece steel hammer design helps reduce vibrations
- Anti-Vibe® handle grip for comfort and control
- Shock absorbing collar helps isolate vibrations to the hammer head
- Steel over-strike protection helps prevent damage to hammer body
- Magnetic nail starter for one-handed nail placement

THRU-TANG™ WOOD CHISELS

STANLEY® is proud of its long history of producing some of the world's best wood chisels, a tradition that continues to this very day. STANLEY® chisels are engineered to meet the no-excuse demands of both fine woodworkers and professional carpenters. The FATMAX® chisels are, arguably one of the toughest, most durable chisels on the market today.

STANLEY® FATMAX® WOOD CHISELS

STANLEY
FATMAX

Thru-Tang™ Wood Chisels

- 50%* stronger with steel Thru-Tang™ shaft and steel striking cap for use with steel hammer
- Blade guard protects working edges of blade when not in use and can be mounted to wall for storage

*compared to 16-300 Stanley Wood Chisel Set

STANLEY

HEAVY-DUTY STAPLERS

Professional Contractors have relied on STANLEY® manual staplers since the 1970s and it's easy to understand why. These ruggedly built tools and staples are tough enough to survive dusty, dirty job sites and still provide enough power to drive staples into thick, dense wood – day in and day out, all day long.

STANLEY® HEAVY-DUTY STAPLERS & BRAD NAILERS

All-Steel Heavy-Duty Staple Gun

- Chrome plated all-steel construction for durability
- Bottom loading allows for quick and easy reloading

STANLEY®

2" x 4" CLAMP

STANLEY® is world-renowned for manufacturing high-quality tools, a reputation that extends to its 2" x 4" clamps. They can be modified to almost any length, and they have non-mar pads to protect work surfaces. It has up to a 400-lb. clamping force and up to an 850-lb. clamping force when bolted to a 2" x 4".

STANLEY® CLAMP

2" x 4" Clamp

- Provides versatility: 2" x 4"s are easily accessible and can be modified to any length
- Both clamp heads insert & reposition anywhere easily along 2" x 4"
- 400 lb. clamping force with up to 850 lbs when bolted to 2" x 4"
- Clamps stand upright on two feet allowing projects to be lifted off the work surface
- Eliminates the need to carry around pipe clamps or bar clamps

STANLEY

SWEETHEART® PLANES

STANLEY® is proud of its long-standing commitment to manufacturing some of the world's best manufacturing tools, including its highly regarded and world-renowned hand planes. STANLEY® has a rich tradition and long history in this category, having produced high-quality hand planes since 1870. STANLEY® is paying tribute to its rich history with its traditional Sweetheart® planes. With solid cherry wood handles and knobs and the frog cast and one-piece base for stability, each plane is designed and built to deliver clean, precise cuts.

STANLEY® SWEETHEART® PLANES

No. 4 Sweetheart® Smoothing Bench Plane

- Lateral adjustment lock for cutting accuracy
- Precision ground casting for flatness
- A2 steel iron for edge retention

SKU #	TYPE	LENGTH		WIDTH		CUTTER WIDTH		BOX QTY	CTN QTY	UPC
12-136	Bench	10-45/64 in	272 mm	2-1/2 in	64 mm	2 in	51 mm	1	6	076174121360

No. 62 Sweetheart® Low Angle Jack Plane

- One-piece base and frog cast for stability
- Precision ground casting for flatness
- A2 steel iron for edge retention
- Solid cherry wood handle and knob

PEAR HEAD RATCHETS

STANLEY® ratchets and accessories are designed to meet or exceed ANSI specifications. Forged from high-quality steel and finished in high-polish chrome, Pear Head ratchets feature ergonomically designed handles, and have an easy-to-use, thumb operated reverse-switch mechanism.

Quick-release mechanism help lock sockets onto the drive

Chrome vanadium steel for durability and high –torque performance

Reversible mechanism for easy one-hand operation

STANLEY® RATCHETS

Pear Head Quick Release™ Ratchets

- Pear head design for strength, durability and performance
- Quick-release mechanism to lock sockets onto the drive during operation and allow easy changeover
- Reversible mechanism for easy one-hand direction change
- Chrome vanadium steel forging for durability and high-torque performance

SKU #	DESCRIPTION	BOX QTY	CTN QTY	UPC
91-928	1/4" Drive Pear Head Quick Release™ Ratchet	2	8	076174919288
91-929	3/8" Drive Pear Head Quick Release™ Ratchet	3	12	076174919295
91-930	1/2" Drive Pear Head Quick Release™ Ratchet	1	6	076174919301

Round Head Quick Release™ Ratchet

- Forged from high-quality steel and finished in high-polish chrome
- Ratchet handles are ergonomically designed and have an easy-to-use, thumb-operated reverse-switch mechanism

SKU #	DESCRIPTION	BOX QTY	CTN QTY	UPC
85-892	1/2" Drive Round Head Quick Release™ Ratchet	4	8	076174858921

Flex Ratchet and Round Head Quick Release™ Ratchets

- Quick release mechanism to lock sockets onto the drive during operation and allow for easy change over
- Reversible mechanism for one-hand direction change

85-891	3/8" Drive Round Head Quick Release™ Ratchet	4	8	076174858914

Rotator Ratchet

- Unique twist handle technology with 0 degree twist arc swing allows accessibility in tight spaces
- 60-tooth gear system for low ratcheting arc swing and high-torque ratcheting
- Reversible mechanism for forward and reverse transition

SKU #	DESCRIPTION	BOX QTY	CTN QTY	UPC
89-962	3/8" Drive Rotator Ratchet	2	6	076174899627

Extendable Flex Ratchet

- Extendable handle technology allows for handle extension from 10" to 15" and 5 locking positions
- 60-tooth gear system for low ratcheting arc swing and high-torque ratcheting
- Flexible locking head for operation in limited access areas

SKU #	DESCRIPTION	BOX QTY	CTN QTY	UPC
STMT72418	3/8" Drive Extendable Ratchet	2	8	076174724189

STANLEY® SOCKET SETS

16-Piece Socket and Ratchet Set

- Ratchet design for high torque ratcheting and better accessibility
- Prevents fastener damage and allows high torque application
- Ratcheting hand driver with quick release magnetic bit holder

SKU #	CONTENTS	BOX QTY	CTN QTY	UPC
89-199	(1) 1/4" Pear Head Ratchet, (1) 1/4" Drive Extension Bar – 6", and (14) 1/4" Drive Deep Sockets	2	12	076174891997

3-Piece Spark Plug Socket Set

- Helps reduce fastener wear without contact on outer 5% of fastener, so fasteners last longer
- Helps reduce slippage on frozen or rusted fasteners

SKU #	CONTENTS	BOX QTY	CTN QTY	UPC
85-721	3/8" Drive Spark Plug Sockets: 5/8", 3/4", 13/16"	—	1	076174857214

10-Piece 3/8" Drive Deep Socket Set (6pt) - SAE

- Ratchet design for high torque ratcheting and better accessibility
- Prevents fastener damage and allows high torque application
- Ratcheting hand driver with quick release magnetic bit holder

SKU #	CONTENTS	BOX QTY	CTN QTY	UPC
