Repair **kits**

Tub, Shower & Sink Repair Kit (White/Almond)

The Tub, Shower & Sink Repair Kit is specifically designed to make color-matched (White/Almond), waterproof and permanent repairs to scratches, cracks, gouges and holes in fiberglass, acrylic or porcelain tubs, showers, hot tubs, pools and boats. The easy to use kit is formulated to resist years of cleaning chemicals, soap and wear with no discoloration, cracking or leaking. Also great for marble and ceramic repair projects.

#20186

Kit Includes:

- 1- Tub, Shower & Sink Resin
- 1- Polishing Compound
- 1- Mixing Cup
- 1- Mixing Stick
- 1- Spreader
- 1- Thickening Powder
- 1- Pack of Sandpaper (Coarse, Medium & Fine)
- 1- Paintbrush
- 1- Pair of Plastic Gloves
- 1- Fiberglass Cloth
- 3- Coloring Agents (White, Yellow & Brown)
- 1- Liquid Hardener
- 1- Instruction Sheet

Fiberglass Reinforced Repair Kit

The Fiberglass Reinforced Repair Kit is the ideal solution for making any type of repair to wood, metal and masonry surfaces. This repair kit delivers a high-quality, durable and waterproof repair in just a couple of hours. The Fiberglass Reinforced Repair Kit will save you the potentially high cost of replacing items that have severe holes, cracks and other damage.

#20190

Kit Includes:

- 1- Fiberglass Resin
- 1- Liquid Hardener
- 1- Pack of Sandpaper (Coarse, Medium & Fine)
- 1- Paintbrush
- 1- Pair of Plastic Gloves
- 1- Fiberglass Cloth
- 1- Mixing Tray
- 1- Mixing Stick
- 1- Instruction Sheet

Rotted Wood Repair Kit

The Rotted Wood Repair Kit is the best choice when wood rot strikes and simply replacing the damaged piece is not practical, economical or desirable. This kit allows you to make quick and durable repairs to exterior trim, window sashes, columns, window sills, flooring, doors, picture frames, antique furniture and any other wooden item.

#20178

Kit Includes:

- 1- Wood Filler
- 1- Pack of Sandpaper (Coarse, Medium & Fine)
- 1- White Cream Hardener
- 1- Pair of Plastic Gloves
- 1- Rotted Wood Stabilizer
- 1- Mixing Cup
- 1- Mixing Board
- 1- Mixing Stick
- 1- Spreader
- 1- Paintbrush
- 1- Instruction Sheet

Extra Strength Wood Repair Epoxy

Extra-Strength Wood Repair Epoxy permanently repairs rotted and damaged wood. Use it to repair columns, doors, siding, decks, roofs, wood trim, doors, fences, windows and more. Bondo Home Solutions Extra-Strength Wood Repair Epoxy has a longer pot life and is non-shrinking, completely waterproof and will bond wood to any surface.

#20020

Kit Includes:

- 1- Epoxy
- 1- Hardener
- 1- Pack of Sandpaper (Coarse, Medium & Fine)
- 1- Mixing Stick
- 1- Pair of Plastic Gloves

Repair **putties**

All-Purpose Putty

This original formula has been the choice of homeowners and professional contractors for years. It quickly and easily fills, patches, seals, and repairs almost anything in and around the home or business. Use on driveways, walls, damaged chimneys, gutters, knotholes, damaged tiles, shingles, fencing, windowsills, doors and more!

#20052 (Quart) and #20054 (Gallon)

Wood Filler

Bondo Home Solutions Wood Filler rebuilds, restores and replaces rotted or damaged sections of wood on doors, windows, fences, furniture, shutters and more. This wood filler is the best choice for repairing any wooden item in or around your home. Once dried, it can be sanded, shaped, planed, drilled, routed or sawed just like wood. This durable product is formulated to accept stain and paint more naturally than most wood filler products. For rotted wood problems, use Bondo Home Solutions Rotted Wood Stabilizer before applying the wood filler.

#20082 (Quart)

Metal Repair Compound

Repairs many items around the home, such as metal sheds, siding, metal doors, wheelbarrows, lawnmower decks, mailboxes, gutters and more. Bondo Home Solutions Metal Repair Compound was formulated to provide a long lasting, durable repair that is quick and easy to apply.

#20101 (Pint)

Concrete, Brick & Stucco Repair Compound

With Concrete, Brick & Stucco Repair Compound there is no need to mix small batches of concrete or stucco and then wait for them to dry. This extremely durable product will allow you to quickly and easily repair concrete, stucco, brick, masonry and drywall in only 30 minutes. Great for filling holes around water pipes, patching basement walls, sealing driveway cracks, repairing brick and masonry stairways and many other repair projects.

#20092 (Quart)

Painter's Putty

Fills scratches, gouges, nail holes & other minor imperfections. Use on metal, wood, fiberglass, drywall, plaster and more. No mixing necessary. Dries fast. (1.5 oz)

#20151

Fiberglass resin

All-Purpose Fiberglass Resin

No matter what the repair job is, Bondo Home Solutions All-Purpose Fiberglass Resin is the right choice for making small to very large repairs to any fiberglass, metal, wood or masonry surface. Using this All-Purpose Fiberglass Resin results in a completely waterproof, non-shrinking and durable repair. When added structural strength is needed, All-Purpose Fiberglass Resin can be used with Bondo Home Solutions Fiberglass Cloth or Fiberglass Mat. #20122 (Quart) and #20124 (Gallon)

Fiberglass Mat

Use with Bondo Home Solutions All-Purpose Fiberglass Resin to aid in repairs and add extra strength. Fiberglass mat is the right product to use when added structural strength is most important. The slightly thicker, interlocking fibers give any repair incredible strength and durability. (9 Square Feet) #20129

Fiberglass Cloth

Use with Bondo Home Solutions All-Purpose Fiberglass Resin to aid in repairs and add extra strength. Fiberglass cloth is the right product to use when making cosmetic repairs. The thin fiberglass cloth material is easier to work with and easier to hide when finishing. (9 Square Feet) #20128

Home Solutions accessories

Rotted Wood Stabilizer

Rotted Wood Stabilizer is a stabilizing liquid that soaks into spongy, dry-rotted wood fibers and then hardens. This simple to use product stops rot in its tracks and provides a solid base for the application of Bondo Home Solutions Wood Filler and Extra Strength Wood Repair Epoxy.

#20131 (Pint) and #20132 (Quart)

All-Purpose Fiberglass Resin Liquid Hardener

For use with Bondo Home Solutions All-Purpose Fiberglass Resin (.74 FL OZ)

#20126

White Cream Hardener

For use with Metal Repair Compound, Concrete, Brick & Stucco Repair Compound, Wood Filler and All-Purpose Putty (2.75 oz)

#20058
