

Manufacturing superior odor control products for distribution throughout the world.

Why Choose Fresh?

Made in the U.S.A. – used around the world.

By controlling all manufacturing aspects from raw material receipt to finished goods inspection, Fresh manufactures superior products that are used in over 35 countries worldwide.

Innovative Solutions

- Numerous US & foreign patents and awards confirm that Fresh offers uniquely innovative solutions.
- Our products freshen better yet consume dramatically fewer resources during manufacture.

Manufacturing Excellence

- #1 manufacturer of commercial deodorant blocks in the U.S.A.
- Broad manufacturing expertise ranging from various liquids, solids, gels, and aerosols.

Odor Control Focus

- By focusing solely on odor control products, Fresh understands and masters critical details that competitors miss.

Products that are better for the environment – *we naturally freshen the indoors while helping the outdoors.*

- Our products are formulated using biodegradable and/or recycled raw materials and manufactured using substantially less energy, yet provide best in class performance.

- Meets 'The Purchase of Sustainable Products and Materials' criteria under the LEED point management system.

- Easily recycled using the industry's first closed loop recycling program, Eco-ReFresh. How does Eco-ReFresh work? It's easy as 1, 2, 3...

Step 1 – Fill a box with Easy Fresh covers , Eco-Air cells , and Hang Tags . The box must weigh a minimum of at least 6 lbs.

Step 2 – Go to www.eco-refresh.com, fill out the info and print out your **FREE** UPS shipping label.

Step 3 – Seal the box, attach the shipping label, and call UPS. UPS will ship your box **FREE** (as long as it weighs at least 6 lbs)!

Use eco-refresh.com and make our planet a little greener.

EFBT (2 dispensers, 2 covers with HD batteries)	---	---

Fragrances: Citrus, Cotton Blossom, Cucumber Melon, Fabulous, Guava Pineapple, Herbal Mint, Honeysuckle, Kiwi Grapefruit, Mango, Ocean Mist, Spiced Apple

Easy Fresh is the world's only air freshener dispenser that uses the fragranced cover of the dispenser as the air freshener refill itself! Now, instead of unlocking a dispenser, unloading the old refill, loading the new refill and replacing the refill, you just take off the old cover/refill and replace it with a FRESH one!!!

Patent Pending

Freshens anywhere for 30 days!

Powerful enough to freshen larger areas

The Easy Fresh fragranced cover is composed of a unique material containing 2-3 times more fragrance than most other air fresheners like gels or metered aerosols. The motor driven fan moves air freshener further than a typical passive system, thus freshening larger areas.

Freshens consistently for 30 days

Releases approximately the same amount of air freshener daily over 30 days by controlling the fan's operation. Controlled by a computer program, the fan turns sparingly in week 1, and gradually turns more frequently until week 4 when the fan turns constantly.

Efficient

The fan only turns when the lights are on which extends the alkaline battery life up to 6 months.

Wall Mounted Air Fresheners

Easy to use

This smart dispenser remembers everything so you don't have to! Replacing the cover activates a 33 day computer program with the following prompts:

- **Days 1-29** : **green** LED flashes indicating 'all systems go'
- **Day 30+** : **red** LED flashes indicating 'time to change cover'
- **Day 33+** : **red** LED flashes *plus* audible alert sound every 3 1/2 minutes

Mounts to any flat surface with the double-sided tape or screw kit that is included. You also have the option to order the cover with it's own battery.

Safe for your facility and you

Unlike gels, liquids, or metered aerosols, Easy Fresh can't spill or misfire; so they won't harm you or your facility.

Safe for the environment ♻️

Easy Fresh is part of the industry's first closed loop recycling program so it is easily recyclable. For details, please check out www.eco-refresh.com.

Urinal and Bowl Products

P-Shield – protects the floor from uric acid damage

Product Code	Inner	Master
6-PSUM	---	6

P-Shield absorbs and neutralizes uric acid (urine), protecting your floors and keeping your restroom smelling great. An impenetrable bottom plastic layer keeps urine off the floor while a superabsorbent top layer consumes and neutralizes urine.

- Unique shield design — Allows users to stand closer to the urinal without having to step on the mat.
- Lasts 60 days — Twice as long as any other urinal mat.
- Reduces costs and labor by 50% — Our superabsorbent soaks up more than twice that of the leading mat.
- Replacement date indicator — Assures a cleaner, fresher restroom since you know when to replace it.
- Stays put — Unique non-slip flexible materials and 2-sided tape keep the mat in place.
- Hides stains & eliminates odors — Our superabsorbent layers are black so they hide unsightly urine. Contains urine odor counteractant AND a mold inhibitor.
- Traps & neutralizes urine — Our “odor lock technology” traps and eliminates urine and its odor, keeping your restroom smelling great.
