TeleRoller - Model #0085
PACK QUANTITY: 12

Trim Smart® Paint Edger

- Trims ceilings, baseboards, windows, doors and moulding.
- Use with an extension pole or by hand.
- Horizontal and vertical guide wheels ensure sharp clean lines and keep paint off baseboards, etc.

Corner Painter

- Paints corners faster and easier than other methods.
- Use with an extension pole or by hand.
- 180° swivel handle keeps full pad area on paint surface at any angle.
- Quality, large replaceable pad provides a smooth even finish.

TeleRoller®

- Handle telescopes from 2'-4' and locks in place with our Twist-Lok® locking device.
- 9" medium nap roller cover included (3/8"/9.5 mm nap).
