Built in pump

Deluxe Air Beds with Built In Battery Pump

- Long lasting extra-heavy PVC
- Soft velour top surface
- Comfortable coil beam construction
- Patent pending easy flow valve system
- Durable built in "D" cell battery pump
- Uses four "D" cell batteries (not included)
- Stores easily
- Navy Blue
- Display box

• **22405** 74" x 39" x 6"Twin Size

• **22410** 78" x 60" x 6"Queen Size

23112

Deluxe High-Volume Bellows Pump

- Flow rate: 1,700 cc/per minute
- Rugged heavy-gauge plastic
- Bellows are constructed of durable nylon fabric
- Flexible 4' non-kink hose with adapter
- Will inflate or deflate
- Display box

23115

Double Action Hand Pump

- Flow rate: 4,800 cc/per minute
- 1 Bar = 14.5 psi
- High-volume air flow on both up and down strokes
- Rugged non-corrosive plastic construction
- Footplate for easy pumping
- Flexible 4'6" non-kink hose
- Valve adapter with four nozzles
- Inflates or deflates
- Doubles as a bilge pump
- Display box

23118

Battery Air Pump

- Pressure rate: .42 psi
- Durable plastic case
- Quickly inflates or deflates all large volume inflatables
- Includes three adapters to fit all recreational inflatables
- Uses four "D" cell batteries (not included)
- Display box

23120

Two-Way Electric Air Pump

- Pressure rate: .31 psi
- Rugged plastic case
- Designed to inflate/deflate air mattresses, inflatable toys, etc.
- Can be powered using either 120 volt AC home wall outlet or 12 volt car power port
- Includes three adapters
- Display box

23122

Rechargeable Electric Air Pump

- Pressure rate: .64 psi
- Rugged plastic case
- High volume low pressure pump designed to inflate/deflate air mattresses, inflatable toys, etc.
- Can be recharged with battery charger powered by 120 volt AC home wall outlet or 12 volt car power port
- Includes three adapters
- Display box

23124

High Volume Boat and Inflatable Electric Pump

- DC 12V high volume electric pump
- 4 universal adapters included to fit all popular valves
- Pressure: 2.3 psi
- Powerful pump produces enough pressure to inflate large inflatables, including kayaks and boats
- 14'10" electric cable with insulated alligator clips for battery power
- Two modes: inflate/deflate
- 23" reinforced air-hose
- Display box
