Index....41

TERMS

1% 10 days, Net 30 days. No Anticipation. Interest charged on past due accounts of either 1-1/2% per month or the highest rate permitted by state law.

FREIGHT TERMS

1. **FREIGHT PREPAID PRICING:** F.O.B. Plant or Warehouse, freight allowed (Prepaid) shipper's route on orders totaling 1,000 lbs. or more for shipment at one time to one destination within the 48 Continental United States.

2. **ALL UNMARKED ORDERS** will be invoiced at the distributors prepaid prices and shipped freight prepaid on 1,000 lbs. or more. Orders under 1,000 lbs. will be shipped Freight Collect or Prepaid & Add if no carrier is designated.

3. **RISK OF LOSS/FREIGHT DAMAGE/SHORTAGE:**
   a. **Common Carrier:** Products are shipped F.O.B. shipping point by common carrier. The consignee must make claims for freight damage, shortage, or loss to the carrier. When the product leaves Seller's dock all risk of loss shall pass to the consignee.
   b. **Contract Carrier:** Overages, shortages, or damaged delivered via contract carriers must be accepted and noted on delivery receipt at time of delivery. Notify Werner Co. Customer Service within 24 hours of delivery of all discrepancies for deposition.
   c. **Customer Pick-Up:** The buyer's driver must sign for all pick-up orders. No damage or shortage claims will be honored on Buyer's pick-up.

ORDERS

1. **Order acceptance** subject to seller's corporate office approval.
2. **Drop Shipments:** FREIGHT TERMS as referenced previously.
3. **Freight Collect Orders** must be marked "Freight Collect" with specified collect carrier.
4. **Non-stocking Wholesale Distributor's Orders** subject to 10% Service Charge.
5. **Back Orders** shall be subject to cancellation unless buyer's purchase order specifically requests otherwise.
6. **Warehouse Orders:** Items not normally stocked at a particular warehouse should be ordered direct from the producing plant. Orders must be 1,000 lbs. minimum quantity for Prepaid Freight. Orders less than 1,000 lbs. will be shipped Freight Collect.

RETURNS

Accepted only with prior corporate office approval. Returns in saleable condition must be accompanied by Return Materials Authorization, Form No. 499. Unauthorized returns will be refused. Returns are subject to a 15% restocking charge and are to be shipped "Freight Prepaid".

NON-STANDARD PRODUCTS

Orders on non-standard products are subject to a cancellation charge, non-standard products are not returnable.

PRICES

Unless otherwise agreed to in writing, all prices and discounts are subject to change without notice at any time.

SPECIFICATIONS

All specifications unless otherwise agreed to in writing, are subject to change at any time.

Any offer by Seller to sell, or any acceptance by Seller of Buyer's offer is expressly conditioned on Buyer's acceptance of the above terms and conditions together with any terms and conditions which are incorporated in any of the Seller's acknowledgements, confirmations, bills of lading, invoices or advance ship notices. Buyer's acceptance of Seller's terms shall be deemed to have occurred unless written notice of rejection is received by Seller within (7) days of the date specified on any writing. In any event, if no date is specified, Seller must receive notice prior to shipment.

However, in the event Buyer's purchase order or other form states terms additional to or different from those set forth above or incorporated by reference herein, this writing shall be deemed notification or objection to such additional and/or different terms and a rejection thereof.

NOTE: Shipments to Alaska, Hawaii and Puerto Rico are subject to applicable costs.

System Sizing

How do I size a guard rail system?

The following steps show how to size a single-sided, three-sided, and four-sided guard rail system:

Step 1: Determine the stage length and width.

Step 2: Determine whether guardrail system is one-, two-, three-, or four-sided.

Step 3: Read across the row to determine component requirements.

Step 4: If ordering a three- or four-sided system, order two ERT-N for 12" and 14" wide stages, and two ERT-W for all stages 20" wide or greater.

Note: If ordering a two sided system, double the single sided component requirement.

	Single-sided					Three-sided						Four-sided

SCAFFOLD TOWERS

- Easy and convenient to order
- Available in 6', 8' and 10' lengths for narrow and wide span platform heights to 23'
- Narrow Span (29" wide), Wide Span (4-1/2' wide) Scaffold Towers Available
- Includes guard rails. Toeboard and planks with access door
- Includes outriggers on all models except 4201-12, 4202-12 and 4203-12 (These models meet the ANSI code listed below under ✳NOTICE✳ without the need for outriggers.)
- Allows end user to climb tower from the inside
- Ideal for Schools, Hospitals and Building Maintenance
