

# HOLIDAY CATALOG | 2013

## About Adams

Since our founder and CEO Bill Adams made it his mission to develop the perfect suction cup over three decades ago, our original philosophies and values have not changed.

Adams has always maintained that the best way to serve our customers is to give them the highest quality products at outstanding value.

Today, Adams enjoys a well-earned reputation as one of the leading manufacturers and innovators of exceptional-quality "made in USA" Christmas Decorating Accessories.

All Adams products are manufactured from our state-of-the art production, warehouse and distribution facilities located in the quaint western Pennsylvania town of Portersville – with additional operations situated throughout the region.

## Unparalleled Work Ethic

Attention to detail is not just what we do, it's our obsession.

# WHY AMERICAN MADE?

From our authentic, hard-working local employees to the quality US-sourced materials we use, we're proving that American-made still matters.

**Our People...**High quality products start with exceptional quality people. At Adams, we believe that work is more than just a paycheck. It's about taking pride in what you do, every day. It's about empowering employees to exceed their own expectations.

**Our Products...**Craftsmanship, innovation, quality, value – these are the principles that drive us. At Adams, we're passionate about the American-made products we produce – and even more passionate about the customers we serve.

**Our Process...**When it comes to process and engineering excellence, we leave no stone unturned. With our meticulous approach to product design, we never lose sight of our core goal – which is to produce exceptional quality products delivered at unsurpassed value.

**Our Philosophy...**Whether we're making a wreath hook that won't scratch the door or a light clip that's easier to use, Adams Manufacturing remains deeply committed to innovation – and to the idea of making products that enrich people's lives.

“BECAUSE OUR HOLIDAY PRODUCTS ARE 100% DESIGNED ENGINEERED AND MANUFACTURED IN THE USA, WE CAN KEEP COSTS LOW AND QUALITY HIGH.”

Bill Adams  
Founder and CEO,  
Adams Manufacturing

## Cutting-Edge Manufacturing Technology

New multi-ton presses and advanced robotics are among the many labor-saving innovations found at Adams.
