GET THE **FREE** METALTECH APP! SCAFFOLDING CALCULATOR AND MORE!

Metaltech Scaffolding is your premier source for all your scaffolding needs. A reputable North American manufacturer, Metaltech Scaffold frames use the SaferStack Design in order to help prevent injury during transport and reduce warehousing space while in storage.

Use this App to calculate your scaffolding needs for any wall dimensions, share the results with colleagues or get a quote for your quantities. The App is also your best resource for a one step access to the website, the brochures and the videos.
